Water Service to 59 Cromarty Dr. Martinborough

Dear Bill

Thank you for your letter dated 2 November 2015.

We wish to appeal the decision of council and give notice that we want this tabled at the next meeting of Council.

In the meantime we wish to have the following questions answered:

1. On what grounds do we fail to meet the criteria for being an extra-ordinary user?
It seems to have been ignored that we run a tourist business, bringing people in to Martinborough. We also run a food business.
2. How are we to get our allocated "allowance"? Council failed to note that we not able to get our water "allocation" by virtue of poor pressure at times.
3. All properties on Cromarty Dr are supposed on the same metered and restricted supply.
Why is this not the case, and why has this issue not been resolved?

Please advise.

Kind regards

Penelope and Bill de Boer
