

Reinstating the Pierce Street name and street signs.

- (1) Recommend to SWDC that it initiates action to restore the name Pierce Street to that length of street stretching from West St to the boundary of the area now named Governor's Green.
- (2) Recommend that SWDC change its 'Naming of Public Roads, private roads and Rights-of-way Policy' –
  - a) to incorporate an automatic public consultation process for ALL (District wide) road naming and/or renaming proposals, and
  - b) to ensure that any community history and/or heritage organisations are similarly consulted.
  - c) to include Community Boards in the consultation process.

NOTE:- BALFOUR ST SIGN SHOULD BE REPLACED AT THE SAME TIME AS PIERCE ST SIGNS ARE PUT UP AS IT IS MISSECT.
