PUBLIC BUSINESS

1. APOLOGIES

RESOLVED

(Mayor Staples/Stevens)

DC2007/207 THAT apologies for absence received from Councillors Craig and Napier be accepted.

2. SUBMISSIONS ON ROAD NAME CHANGES

RESOLVED

(Davies/Robertson)

DC2007/208 THAT a report from the Chief Executive Officer No. CEO186.11.07 dated 12 November 2007 be received.

3. HEARING OF SUBMISSIONS

Submitters who had advised that they wished to be heard in support of their written submissions, were present.

- Charlene Stephen

Proposal No.1

Clarification was sought as to the point to which Western Lake Road was to end.

Proposal No. 3

There was a potential for a doubling up of road numbers.

DISCLAIMER

Until confirmed as a true and correct record, at a subsequent meeting, the minutes of this meeting should not be relied on as to their correctness.

Proposals No. 7 and No. 9

Proposal No. 10

Internal private roads needed to be named.

Proposal No. 11

Proposals No. 12 and No. 13

The existing principal names should remain and the entire streets be re-numbered.

- Carol Hawkins

Proposal No. 3

The proposed name of Otarai Road was reasonable. Consistency was needed. Changing Jellicoe Street would be a nuisance.

- Mr M Higginson

Proposal No. 3

The urban area of Martinborough required redefining. He urged no change to original John Martin names in the town.

[The meeting adjourned at 9.47am and resumed at 10.03am]

- Mr I Cresswell

Proposal No. 3

Road numbers had to be right. It was spurious to change the name of Jellicoe Street.

Proposal No. 6

The name Boundary Road should be retained.

Proposal No. 11

Martinborough/Masterton Road was confusing. Hinakura Road should be used.

Proposal No. 9

The name Awhea was strange.

Proposal No. 10

The "Extension" should not be a public road.

- Angela Sears

Proposal No.3

Any change was uncomfortable. The names Jellicoe and Kitchener were of English military personages and were questionable. A change to Otarai was supported.

[Councillor Davies left at 10.30am and returned at 10.32am]

- Martinborough Fire Brigade

Their submission covered several proposals.

The crux of the submission was the potential of putting lives at risk. They wished to work with the Council. The points at which roads started required clear identification. The Brigade did not oppose name changes.

DISCLAIMER

Until confirmed as a true and correct record, at a subsequent meeting, the minutes of this meeting should not be relied on as to their correctness.

- Mr R Buckley

Proposal No. 4

A further submission was tabled. Existing names should be retained. Maori names should be kept. The proposed road name to Whangaimoana Beach was supported.

- Mr I and Mrs D Cresswell

Change was needed for Nelsons Road. Puruatanga /Huangarua/Martins Roads should also be addressed.

Proposal No. 12

There had been more than one Milne in the district. They supported re-numbering the entire New York and Dublin Streets.

- Mr Ian Montgomerie

Proposal No. 7

Better signage was needed in the Moroa road area. Truck drivers had problems with current naming.

- Mr D Taylor

Proposal No. 7

Road names needed sorting out. There were several Bidwills roads. He sought a return to a former Morisons Road name in the area. Moroa Road could be a loop from the Tin Hut to the Kuranui College corner.

- Andrea Atherton (with Simone Sutherland, Vicki Jones and Paul Taylor)

Proposal No. 11

The road in question was known as Hinakura Road. Martinborough/Masterton Road should start at "Popes Head" junction.

[The meeting adjourned at 11.37am and resumed at 11.40am]

- Charlotte Gendall

Proposal No. 12

The proposal was opposed. She felt to be part of New York Street. It was a road not a street.
