*COUNCIL RESOLVED (DC 2016/79)* that the Draft Annual Plan 2016/17 submissions hearings and deliberations meeting on the 25 May 2016 continue beyond the six hour time limit on meetings prescribed by the NZ Standard Model Standing Orders for meetings of local authorities and community boards.

*(Moved Cr Robertson/Seconded Cr Napier)*

Carried

The Council meeting was adjourned at 4:20pm.

The Council meeting reconvened at 7:00pm.

#### **4 Annual Plan 2016/2017 Submissions**

The Mayor and councillors deliberated on submissions.

Councillors agreed to increase funds for celebrating the 100<sup>th</sup> year anniversary of Anzac Hall from \$2,000 to \$5,000.

Mr Crimp recommended spending depreciation funds on building a strategy for maintaining Council's underground assets. Investigating the condition of underground pipes in order to get an understanding of their current condition would form part of this strategy.

Councillors instructed Council officers to take away the annual planning decisions, rework finances, and to maintain the projected rates increase at around the 3.1% increase level.

*COUNCIL RESOLVED (DC 2016/80):*

1. To receive the information.
2. To adopt the decisions in Appendix 2, make grants as per Appendix 1 and request changes be made to the 16/17 Draft Annual Plan as necessary.

*(Moved Cr Napier/Seconded Cr Stevens)*

Carried

**APPENDIX 2 - SWDC ANNUAL PLAN 2016/17 CONSULTATION SUBMISSIONS AND DECISIONS**

No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	OFFICER COMMENTS	COUNCILLOR DECISION
A	Kokomai – Heidi Holbrook	Funding - Request \$15,000 for off year and Bi-annual event.		Council grant funding of \$5,000 for the 16/17 year approved.
B	Featherston Fell and Heritage Museums	Funding -		Council grant funding of \$10,000 for the 16/17 year approved to assist with the costs associated with joining the Museums.
C	Pure Tour NZ and Huri Huri	Funding - \$50,000 across 3 councils Huri Huri and the NZ Cycle Classic have combined		Council grant funding of \$12,000 for the 16/17 year approved for the Cycle Classic and Huri Huri.
D	Wellington Free Ambulance	Funding - Increase funding to \$1 per person over the next 2-3 years.	Currently 50 cents = \$4,750	Council grant funding of \$9,525 (\$1 per head of population) for the 16/17 year approved.
E	Hockey Wairarapa	Funding - \$4000 Host New Zealand Men’s Test Series (2 games)		Council grant funding of \$2,000 for the 16/17 year approved.
F	Bring it to Colombo Trust	Funding – Support upgrade of regional netball courts based in Masterton.		Council grant funding of \$60,000 total funding approved to be spread over the next 3 years on the condition that South Wairarapa teams can continue to play netball at Kuranui College and/or other local facilities.
1	Nim Grewal	Roading - Widen Brandon Street (Moore to Hard St)	Not required, goes to dead-end, no increased traffic and road is a access rd classification	Noted, Council officer’s comment applies.
1	Nim Grewal	Roading - Footpath Brandon Street (Moore to Hard St)	No new paths, and low priority as low volumes, wide even berm would only be done in conjunction with a drainage upgrade (kerb)	Noted, Council officer’s comment applies.
1	Nim Grewal	Roading - Pedestrian Crossing on SH2 at South end of Featherston	Added to list for consideration SH 2 not council responsibility, strict criteria on vehicle travel time, ped counts etc. very unlikely to be done.	Noted, Council officer’s comment applies.

No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	OFFICER COMMENTS	COUNCILLOR DECISION
1	Nim Grewal	Amenities - Hart Street parkland to be reopened	Part of the area has been cultivated, presumably on a handshake agreement with a previous council officer, by the neighbouring property. There would need to be some consultation with the neighbour and a clear directive from council to re-open that area as a public walkway. The uncultivated part is in pretty rough condition and will cost around \$5000 to clear and around \$2000 to put in a simple base-course track 1m wide. Not recommended as a priority for 2016/17 – more important for us to get control over the rest of Otairira Reserve first.	Noted, Council officer’s comment applies, not a priority for 16/17.
2	Geoffrey Gaskell	Roading - Improved Street lighting directing light downward.	Upgrade plan in place review of lighting undertaken renewal program in place	Noted, Council officer’s comment applies.
3a	Martinborough Community Board - Lisa	Waste Water - Support deferring cyclical maintenance	Noted	<i>COUNCIL RESOLVED (DC2016/81) to defer waste water cyclical maintenance in order to accelerate the discharge of 24% in Martinborough and 21% in Greytown by June 2017. (Moved Cr Olds/Seconded Cr Stevens)</i>
3a	Martinborough Community Board - Lisa	Water - Reduce water rates	Noted	<i>COUNCIL RESOLVED (DC2016/82) that water rating charges remain status quo and that Council officers assess the full water asset condition from depreciation funds with a view to a full maintenance programme being developed based on that assessment. (Moved Cr Craig/Seconded Cr Napier)</i>

No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	OFFICER COMMENTS	COUNCILLOR DECISION
3a	Martinborough Community Board - Lisa	Rooding - Cycle strategy in particular safety and amenities. Important to allocate resource to proceed. Would prioritise Princess Street and Cambridge Road	Noted	<i>COUNCIL RESOLVED (DC2016/83) to acknowledge the strong support from the community for the Cycle Strategy document, and the traffic safety component priority, and to develop a works plan for the future based on the linkages identified through the annual planning process. (Moved Cr Jephson/Seconded Cr Robertson)</i>
3a	Martinborough Community Board - Lisa	Rooding - Support Road Speed limits review	Noted	<i>COUNCIL RESOLVED (DC2016/84) to request a report from Council officers recommending streets and roads in the district to be included in a speed reduction request submission to NZTA. (Moved Cr Riddell/Seconded Cr Craig)</i>
3a	Martinborough Community Board - Lisa	Rooding - Footpaths - Ask for full consultation on increasing budget next year noting one of the areas they receive a lot of feedback.	Reviewing footpath mapping and condition survey for new program (to be consulted with CB's) for next LTP	Noted, Council officer's comment applies.
3a	Martinborough Community Board - Lisa	Funding - Thank you for community funding	Noted	Noted
3a/b	Martinborough Community Board - Lisa	Funding - Thank you for town beautification and ask it be rolled over in light of the Waihinga Centre - seating, picnic tables and trees		Council approves the request to roll over the Martinborough beautification budget to the 16/17 year.
3a	Martinborough Community Board - Lisa	Amenities - Considine park Work Plan review	Review completed and emailed to MCB members.	Noted, Council officer's comment applies.
3a	Martinborough Community Board - Lisa	Funding - Support economic development in particular Cycle tour.	Noted	Noted

19	Alistair Boyne	Roading – Increase seal program	Sealing rural roads increases the future costs of maintenance. Currently our policy of resealing every 18-22 years does not meet the recommended reseal rate of every 16 years.	Noted, Council officer’s comment applies.
19	Alistair Boyne	Pensioner Housing – Status Quo	Noted	<i>COUNCIL RESOLVED (DC2016/87)</i> to retain the pensioner housing units and request that Council officers investigate ways of managing the service provision. <i>(Moved Cr Montgomerie/Seconded Cr Robertson)</i>
19	Alistair Boyne	Securing Access for public over private farmland to foreshore. Clarity on precedent. Would like same for divers and surfers using our land except would go to charity of our choice.	It is acknowledged by the Martinborough Ward Councillors that there is a formal agreement of some kind, maybe it is a lease or rental agreement and not a “contract” for the access over private farmland to the foreshore generally acknowledged as the Sandy Bay boat launch.	Council officers are to request that the Boynes formally write and make the request for compensation in exchange for public access to over their land. Council officers will then review the request alongside the Sandy Bay lease and H&S requirements and provide a report to Council for consideration.
19	Alistair Boyne	Amenities - Martinborough Town Hall Concern regarding budget overrun given CDC Event centre–turn key price. Does not want to see a rates increase, further land sales or council reserves used to cover shortfalls.	Contractor is being chosen based on fees schedule and then working with Architect to finalise costs. Contractors do not do turn key when working on Earthquake strengthening as general rule.	Noted, Council officer’s comment applies.
20	Trish Higginson	Waste Water – loan Funded	Noted	<i>COUNCIL RESOLVED (DC2016/81)</i> to defer waste water cyclical maintenance in order to accelerate the discharge of 24% in Martinborough and 21% in Greytown by June 2017. <i>(Moved Cr Olds/Seconded Cr Stevens)</i>

36	NZ Motor Caravan Assoc Peter George	Amenity - Dump Stations – suggest moving Fence at Featherston Dump station to allow 2 way traffic. Head office will support Greytown allow access from west St to Arbor Reserve to allow large vehicles to use dump station This station borders on being a health risk. Would like potable water to be available here. Move slightly south for two way traffic.  Potable water more than one tap at each station	We could move the fence at Featherston but would have to extend the hard surface by about 60m2 – maybe \$2000? Council has previous declined opening up access to Arbor Reserve from West Street.  Supplying potable water – this is really more Waters than Amenities – however the response really depends on whether Council wants to have to pay for the water being used by campers on an ongoing basis. In summer 2014/15 before we removed access to the water tanks at Ngawi fire station, campers went through over 100,000 litres.	No budgetary change.  The request to move the fence at the Featherston dump station is declined. The request to allow access from West Street to Arbor Reserve dump station in Greytown is declined.  <i>COUNCIL RESOLVED (DC2016/89)</i> that Council officers investigate Arbor Reserve dump station to determine whether its operation is fit for purpose and not a health hazard and provide the findings to Council in a report along with associated costs for decommissioning and/or repairing. <i>(Moved Mayor Staples/Seconded Cr Jephson)</i>

36	NZ Motor Caravan Assoc Peter George	Amenity - Lift Martinborough and Greytown to Motorhome friendly town status	Had intended (with Bronwyn) to draft new bylaw covering camping and motor homes within the town precincts. I believe we need to do this before going anywhere near motorhome-friendly status in Greytown and Martinborough.	Refer Council officers' comments. Council officers to suggest to NZMCA that once bylaws work is complete, the Association work with the Martinborough Business Association to get support for Martinborough to become motorhome friendly.
36	NZ Motor Caravan Assoc Peter George	Roading - support South Greytown entrance speed reduction	Noted	<i>COUNCIL RESOLVED (DC2016/84)</i> to request a report from Council officers recommending streets and roads in the district to be included in a speed reduction request submission to NZTA. <i>(Moved Cr Riddell/Seconded Cr Craig)</i>
36	NZ Motor Caravan Assoc Peter George	Amenity - Freedom Camping – would like to see an aggressive approach to camping by non-certified self-contained vehicles	Until we have a new by-law there isn't much that can be done to police this.	Noted, Council officer's comment applies.
36	NZ Motor Caravan Assoc Peter George	Amenity - Toilets – thank you for coastal toilets	Noted	Noted
36	NZ Motor Caravan Assoc Peter George	Amenity – request Martinborough rugby club park over continue	Noted	Noted
37	Alan Wilde	Waste water - Defer	Noted	<i>COUNCIL RESOLVED (DC2016/81)</i> to defer waste water cyclical maintenance in order to accelerate the discharge of 24% in Martinborough and 21% in Greytown by June 2017. <i>(Moved Cr Olds/Seconded Cr Stevens)</i>
37	Alan Wilde	Roading – Seal Moroa Substation to Tin Hut	Added to list for future consideration	Noted, Council officer's comment applies.
37	Alan Wilde	Water Supply - Maintain	Noted	<i>COUNCIL RESOLVED (DC2016/82)</i> that water rating charges remain status quo and that Council officers assess the full water asset condition from depreciation funds with a view to a full maintenance programme being developed based on that assessment. <i>(Moved Cr Craig/Seconded Cr Napier)</i>

38	Lesley Wardle	Rooding - Cycle Strategy – Do not support requires more emphasis on safety including walkers. Traffic safety, Urban Cycling, urban Amenity, Tourism, Linkages	Noted, safety is covered in the strategy, however not walking, horses etc..	<i>COUNCIL RESOLVED (DC2016/83)</i> to acknowledge the strong support from the community for the Cycle Strategy document, and the traffic safety component priority, and to develop a works plan for the future based on the linkages identified through the annual planning process. <i>(Moved Cr Jephson/Seconded Cr Robertson)</i>
38	Lesley Wardle	Rooding – Cycling – Featherston to WW camp sites, link to Greytown rail trail and Featherston to lake reserve.	Noted	<i>COUNCIL RESOLVED (DC2016/83)</i> to acknowledge the strong support from the community for the Cycle Strategy document, and the traffic safety component priority, and to develop a works plan for the future based on the linkages identified through the annual planning process. <i>(Moved Cr Jephson/Seconded Cr Robertson)</i>

38	Lesley Wardle	Resource Planning - Consider rezoning industrial Fitzherbert Street to commercial /residential	A rezoning can only be made by way of a Plan Change. No funds for such a process are currently allocated. The proposal however does have merit as the existing zoning is out of step with actual use of this block – which is mainly commercial in nature. If Council agrees that this zoning should be subject to a detailed investigation with a view to rezoning, there are other areas around Martinborough that should be included for consideration.	No budgetary change. Council officers are to investigate if this can be incorporated in the upcoming plan change and if not note the work for a future plan change consideration.
38	Lesley Wardle	Amenities - Support completing Cemetery database	This has been budgeted.	Noted, Council officer’s comment applies.
38	Lesley Wardle	Resource Consents – Extend from 10pm – 12pm	This comment has no context or meaning as it stands. Accordingly I can only “guess” that it may relate to the close down time for temporary events as currently set out in the WCDP (this is the only 10pm reference I am aware of in the Plan). If that is the case I would not support such a change unless for instance, other relevant controls are altered to ensure that possible adverse effects are properly managed (e.g. noise/vibration/glare).	Noted, Council officer’s comment applies.
39	GT Environmental Services Ltd	Fees and Charges – Septic waste charge exceeds both CDC and MDC charges and if applied to known septage strengths charges per tonne are exceeded by \$66 more. Requests more work or fee lowered to \$72 per tonne, supports consistent charge across 3 TA’s.	The septic tank charge was raised in 2014/2015 to be in line with Carterton District Council.	<i>COUNCIL RESOLVED (DC2016/85)</i> to request that Council officers investigate the difference in pricing charges between the three Wairarapa councils for septic waste and provide an appropriate district aligned charge recommendation to Council for consideration.  <i>(Moved Cr Napier/Seconded Cr Craig)</i>

40	Featherston School, St Teresa's School and South Featherston School	Amenities – Requests Council allow 3 cycle tracks to be established on Card Reserve, Fstrn as part of the Bike on NZ Charitable Trust. The project is traditionally sited in school grounds (i.e. Lakeview School), however the schools believe Card Reserve location would be more of a Card Reserve location. Schools could lead fundraising initiatives for helmets, bikes and storage sheds for equipment	Space is available on Card Reserve to fit these tracks around existing activities and still allow space for expansion eg football. In the absence of a development plan for the reserve, some community consultation would be required. Costs for the tracks are estimated at \$4000 for the long track and approximately \$5000 each for the skills and pump tracks. Annual maintenance????	<p>No budgetary change. Council is amenable to allowing cycle trails be developed on Card Reserve subject to:</p> <ol style="list-style-type: none"> <li>1. Concept design development that shows how the trails could be integrated into the existing reserve and not impinge on other activities</li> <li>2. Business case development that also covers how capital build funding and ongoing maintenance funding will be secured.</li> <li>3. The Featherston community agrees to the project as proven by a successful public consultation campaign.</li> <li>4. Council right to return the trail to grass if ongoing maintenance funding can't be secured.</li> </ol> <p>Council suggested a trust is formed to oversee the project.</p>

52	Winifred Bull	Amenities – Requests extension of Martinborough library hours on Saturday due to increased patronage and librarians need to process checkouts after 12pm and ask people to leave.	If library hours are extended it will need to be at all libraries not just Martinborough. Adding 0.5 hrs per day to the 3 library managers' positions would give them time to finish up at the end of the day without having to hurry people out the door – cost approx. \$12,000pa. Recommend no change.	No budgetary change. Council officer's comment applies.
53	Office of Steffan Browning MP Green Party	Amenities, Land Transport – Requests Council phase out the use of glyphosate and similar based herbicides from its streets, playgrounds and parks	SWDC is monitoring the development and implementation of glyphosate alternatives at other, larger councils, and keeping a watching brief until alternatives become cost-effective. While our aim is to reduce reliance on agrichemicals, until the NZ Environmental Protection Agency reassesses glyphosate, SWDC will continue to use it.	Council officers are requested to provide City Care the information provided at the annual plan hearings and ask that City Care provide feedback on use of alternative methods of weed control.
54	Martinborough Business Association	Waste water - defer	Noted	<i>COUNCIL RESOLVED (DC2016/81) to defer waste water cyclical maintenance in order to accelerate the discharge of 24% in Martinborough and 21% in Greytown by June 2017. (Moved Cr Olds/Seconded Cr Stevens)</i>

54	Martinborough Business Association	Land Transport – Request the lack of parking in central Martinborough is addressed using angle parking, designated retail worker parking, restricted parking zones, removal of no parking in Ohio St	Same issue in all towns. Main Street, Greytown etc. not enough width for angle parking in most areas. Looked at it with the Oxford Street works and even with added berm width not possible.	No budgetary change. Council officer’s comment applies. Council officers are to suggest that the Association lead an initiative to ensure shop keepers and staff park on side streets. This approach worked in Greytown and helped free congestion.
54	Martinborough Business Association	Land Transport – Requests review of parking and vehicle movement as part of cycle strategy	Could change to multi use including pedestrians, mobility scooters wheelchairs and horses etc. Built would then include footpaths that are not to ride on. Better to have a footpath/pedestrian strategy and cycling.	No budgetary change. Council officer’s comment applies.
54	Martinborough Business Association	Resource Management – Request that when events close main roads or the Mba Square that the reason of the closure is clear to the public by the organiser	The closing of roads is managed by Council on a case by case basis under the Bylaws. The issue of advisory signage for a closure/restriction being in place has not previously arisen but is noted as a matter to consider for all future requests for closures or limited access for an event.	Noted, Council officer’s comment applies.

54	Martinborough Business Association	Resource Management – Request that alternative locations are considered where events could be contained in a smaller area e.g. Cruise Martinborough.	The use of the square for events reflects its central location and the amenity values it offers for those at an event. It would be a significant loss for some events to be unable to use the space about the square and such a change to “force” events to other venues could simply “loose” the event. Previously events have been viewed as adding to the vibrancy and commercial opportunities in Martinborough for businesses. The issue is how to balance those “one off event” opportunities with normal access and trading. In that regard maintaining access unless it is otherwise unsafe, should also be a factor in assessing applications from now on.	Noted, Council officer’s comment applies.
54	Martinborough Business Association	EC&C – Request that the Tourism Infrastructure Fund is investigated to help cope with growth and tourism and minimise negative effects in Ngawi and other summer hotspot areas	This is subject to Government Approval and if proceeding will be announced as part of the Government budget on the 26 <sup>th</sup> of May we will follow this and review the criteria as soon as it is formalised.	Noted, Council officer’s comment applies.
54	Martinborough Business Association	EC&C – Support on-going investigations into sustainable irrigation projects in the Wairarapa valley and would like to be kept informed of developments.		<i>COUNCIL RESOLVED (DC2016/90)</i> that Council officers write and refer the Martinborough Business Association submission and their request for involvement to the Water Wairarapa Project and request the Project Manager liaise with the Association directly. <i>(Moved Cr Jephson/Seconded Cr Riddell)</i>
54	Martinborough Business Association	EC&C – Request that independent economic investigations including community consultation are undertaken before Council support irrigation projects		Noted, as above.

55	David and Marion Pawson	Solid Waste – Queries the costs of time spent on fly tipping including officer time, contractor time, replacement of signs and predicted cost for the removal of inorganic rubbish, offal and garden waste on road reserves?	<p>We know the costs of the parks and reserves contractors picking up tipped rubbish (\$2023 in 2014/15 and \$1470 to date in 2015/16) but have not calculated staff time, replacement of signs or predicted costs. These will be assessed as part of the review of the solid waste contract.</p> <p>The solid waste contract is under review, for consideration.</p>	<p><i>COUNCIL RESOLVED (DC2016/91)</i> to refer the Pawson’s submission of solid waste ideas to the solid waste contract discussions for consideration when the contract is being renewed.</p> <p><i>(Moved Cr Olds/Seconded Cr Napier)</i></p>
55	David and Marion Pawson	Solid Waste – Requests proactive rather than reactive solutions to fly tipping e.g. coin operated waste disposal bins like Tongaporutu, Wanaka’s community recycling projects, Raglans recycling centre Extend and develop local, cost-effective, waste and up-cycling facilities in Featherston.	The solid waste contract is under review, for consideration.	Noted, as above.
55	David and Marion Pawson	Solid Waste – Requests better facilities for garden and inorganic waste and offal disposal	The solid waste contract is under review, for consideration.	Noted, as above.
55	David and Marion Pawson	Solid Waste – Supports the use of cameras but doesn’t believe they solve the problem of ensuring waste is deposited in the right place	The solid waste contract is under review, for consideration.	Noted, as above.
55	David and Marion Pawson	Solid Waste – Requests security monitored drop off system outside the Featherston transfer station gate for pre-sorted rubbish	The solid waste contract is under review, for consideration.	Noted, as above.
55	David and Marion Pawson	Solid Waste – Requests the above is accompanied by a community education programme	The solid waste contract is under review, for consideration.	Noted, as above.

57	Jennie Marks	Fees and Charges - Support	Noted	Noted
57	Jennie Marks	Land transport – Requests that commonly used routes by families and children have footpaths including a footpath to link the skate park with the rest of the town being first priority followed by linking schools, library, medical centre, sports facilities, train station, supermarket etc.	Skate park is linked. All three towns have paths to med centre.	Noted, Council officer’s comment applies.
57	Jennie Marks	Land transport – Requests safety linkages (ie pedestrian crossing/footpaths) be investigated at playground/skatepark area.	This is possible and would also require an island due to the width of the road.	No budgetary change. Council officer’s comment applies.
57	Jennie Marks	Land transport – Requests any new developments are connected via footpaths to existing footpaths	Depending where development is this is considered in applications.	Noted, Council officer’s comment applies.
57	Jennie Marks	Land transport – Cycle – Suggests the pylon track going past Boar Bush Gully be opened for cycles from Kaitoke to Fstn	Noted for cycle strategy if consultation is pro linkages	Noted, as above.
57	Jennie Marks	Land transport – Cycle – Suggests development of a track between Fstn and Gtn via Underhill Rd across the Tauherenikau	Noted for cycle strategy if consultation is pro linkages	Noted, as above.
57	Jennie Marks	Amenities – Requests Council facilitate integrated management and administration of sporting amenities in Fstn.	This is being looked at as part of the proposal to extend the Greytown Sport and Leisure model to Featherston and Martinborough	Noted, Council supports the Greytown Sports and Leisure Model and have provided grant funding.

**APPENDIX 2 - SWDC ANNUAL PLAN 2016/17 CONSULTATION SUBMISSIONS AND DECISIONS**

57	Jennie Marks	Amenities – Requests Council extend Fstn Pool hours in the summer evenings	Friday evenings extended to 7.30pm in 2015/16 season. In Featherston only 4 out of 15 Fridays were attended by public in very low numbers, although there was a much better uptake in Greytown and Martinborough. Occasional extended evenings to be considered for 2016/17 season.	No budgetary change. Council officer’s comment applies.
57	Jennie Marks	Amenities – Requests Council undertake plantings and install more picnic tables in the Fstn Pool area.	Working with the Featherston Amateur Swimming Club on this.	No budgetary change. Council officer’s comment applies.
58	Featherston Camp Memorial Trust	EC&C – Requests Council funds the groundworks and power (to run the up lighting) for the installation of the memorial, \$45,000 budgetary allowance is suggested.		<i>COUNCIL RESOLVED (DC2016/92)</i> to support the Featherston Camp Memorial Trust’s Sculpture Project, and to cover installation costs up to \$45,000 from Featherston’s beautification budget.  <i>(Moved Cr Robertson/Seconded Cr Riddell)</i>
58	Featherston Camp Memorial Trust	EC&C – Requests Council provide on-going annual maintenance of the memorial once installed		Council agrees to maintain the memorial once it has been installed.
59	Keith Banks	Land Transport – Requests that as the only permanent resident on Cape Palliser Rd, due to increase of visitors and summer dust nuisance that the road is sealed from Ngawi to just past 3129 Cape Palliser Rd (200m)	We are looking at the ability to seal all of the road as part of resilience as it is NZTA funded and the SPR is coming to council from 100% to 52% this is being requested to be done over the next 2 years.	Noted, Council officer’s comment applies, but road to be added to list for seal prioritisation.
60	Enviroschools	EC&C – Acknowledges SWDC’s on-going support and requests that support for Enviroschools in the Wairarapa be brought into a single Wairarapa-wide contract		Council would support a single contract provided services and funding requirements to the South Wairarapa don’t change.

No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	OFFICER COMMENTS	COUNCILLOR DECISION
66	Pete Roberts	Amenities – Notes the Fstn Town Centre has proceeded without consultation and against an altered plan	Requests for ideas on the Featherston Town Centre were sent to 1200 households. Analysis of feedback resulted in current design. The look and feel of the town centre remains as originally proposed with the exception of the grandstand which was cost prohibitive.	Noted, Council officer's comment applies.
66	Pete Roberts	Cycle Strategy – Queries how Council will get funding from NZTA for the Fstn to Cross Creek cycle track given it contradicts NZTA design and build documents. Led to believe the track didn't follow the road	Noted	Council officer's to write and address funding queries.
66	Pete Roberts	General – Requests 'core service' is clearly defined	Legislatively driven and is outlined in our Significance and Engagement Policy. This could be included in the background overview in next year's annual plan.	Noted, Council officer's comment applies.
66	Pete Roberts	General – Requests pensioner housing, rubbish collection, road maintenance, (including footpaths, berms, verges and street lighting), libraries, swimming pools, reserves and providing the environment to encourage businesses are labelled core services	Legislatively driven and is outlined in our Significance and Engagement Policy. This could be included in the background overview in next year's annual plan.	Noted, Council officer's comment applies.
66	Pete Roberts	General – Doesn't believe the Fstn Town Square, Waihinga Centre or cycle strategy developments are core service		Council officer's to write and address concerns regarding core services.
67	Featherston Tennis Club & Featherston Netball Club	Amenities – Supports space between Underhill Road and the stadium being turned into car parking.	Noted	Noted

69	Christine Webley	Governance – Requests improved service and professionalism e.g. after PE section of meeting method for notifying members of the public is developed	Noted. Mayor and Cr time in the council offices needs to be managed as efficiently as possible. P&F doesn't have an official start time and sometimes meetings are scheduled between the end of DC and/or DC PE meaning the start time of P&F is approximate. Procedure will be put in place to manage notification to reception/public in reception area as best as possible.	Noted, Council officer's comment applies.
69	Christine Webley	Amenities – Requests that Waihinga Centre feasibility study is reviewed for projected income and costs based on Carterton event centre paper		No budgetary change. Waihinga Centre to progress as above.
69	Christine Webley	Governance – Requests that guidelines for OIA submissions including formal process for logging and acknowledgement are created and published	We meet the obligations set out in the legislation, <a href="http://www.justice.govt.nz/publications/global-publications/o/official-information-your-right-to-know">http://www.justice.govt.nz/publications/global-publications/o/official-information-your-right-to-know</a>	Noted, Council officer's comment applies.
70	Robyn Ramsden	Waste water – Loan Funded	Noted	<i>COUNCIL RESOLVED (DC2016/81)</i> to defer waste water cyclical maintenance in order to accelerate the discharge of 24% in Martinborough and 21% in Greytown by June 2017. <i>(Moved Cr Olds/Seconded Cr Stevens)</i>
70	Robyn Ramsden	Roading – SH2, Revans, Western Lake Road	Will add to the list for consideration	<i>COUNCIL RESOLVED (DC2016/84)</i> to request a report from Council officers recommending streets and roads in the district to be included in a speed reduction request submission to NZTA. <i>(Moved Cr Riddell/Seconded Cr Craig)</i>

70	Robyn Ramsden	Water – Reduce rates	Noted	<i>COUNCIL RESOLVED (DC2016/82)</i> that water rating charges remain status quo and that Council officers assess the full water asset condition from depreciation funds with a view to a full maintenance programme being developed based on that assessment. <i>(Moved Cr Craig/Seconded Cr Napier)</i>
70	Robyn Ramsden	Roading – Cycle Strategy – Amenity, Safety, Tourism, Linkages, Cycling	Noted	<i>COUNCIL RESOLVED (DC2016/83)</i> to acknowledge the strong support from the community for the Cycle Strategy document, and the traffic safety component priority, and to develop a works plan for the future based on the linkages identified through the annual planning process. <i>(Moved Cr Jephson/Seconded Cr Robertson)</i>
70	Robyn Ramsden	Pensioner Housing – Status Quo	Noted	<i>COUNCIL RESOLVED (DC2016/87)</i> to retain the pensioner housing units and request that Council officers investigate ways of managing the service provision. <i>(Moved Cr Montgomerie/Seconded Cr Robertson)</i>
70	Robyn Ramsden	Fees and Charges - Support	Noted	Noted
70	Robyn Ramsden	Water Supply – Why should we boil drinking water in Featherston, overtaking water, fluoridating water	The water is safe to drink and is monitor to NZDWS and DHB requirements. The water plant is being currently upgraded to a more secure source. Water is not overtaken. Only sufficient to meet demand is taken. Water conservation measures are planned. Floride-noted.	<i>COUNCIL RESOLVED (DC2016/82)</i> that water rating charges remain status quo and that Council officers assess the full water asset condition from depreciation funds with a view to a full maintenance programme being developed based on that assessment. <i>(Moved Cr Craig/Seconded Cr Napier)</i>
70	Robyn Ramsden	Pensioner Housing – Maintain for baby boomers believes contrary to CEO that we would be worse off. 70	Robyn Ramsden	Amenities – Featherston library wheel chair access is more important than they Greytown entrance upgrade	Alterations to library wheelchair access are in planning stages	Noted, Council officer’s comment applies.
70	Robyn Ramsden	Roading – Footpaths – install a footpath on either side of William Benton Street		Council officers to put this on the list for prioritisation when new footpaths are once again developed. The priority for 16/17 budget is maintenance.
70	Robyn Ramsden	Roading – Address surface flooding on Lyon street forces children to walk to school on road.	To be assessed when flooding and programmed accordingly	Noted, Council officer’s comment applies.
70	Robyn Ramsden	Roading – Kerb – address deep kerbs around Featherston especially around the skate park.	New and repairing kerbing has a higher priority than replacing functional kerb.	Noted, Council officer’s comment applies.
71	Friends of O’Connors Bush Katie Abbott	Continue support of \$1800 per annum towards Soldiers Memorial park.		Council funding of \$1,800 will continue to be provided in the 16/17 year from the I&S budget.
72	Katie Abbot and Jeremy partridge Greytown Tree Advisory Group	Request review and updating the schedule of Greytown notable trees, requesting funds towards hiring a professional arborist to complete this work.	Council has already agreed that a plan change to update the register of trees should proceed. Work is set to commence about the end of May. Initial discussions with MDC and CDC have taken place and both Councils are likely to join SWDC in updating their lists at the same time. The details of the process are not finalised but at an appropriate point a suitably qualified person will review the tree schedule as part of developing the plan change. This is in fact required as part of preparing the plan change.	Refer officers’ comments. Council officers are to involve the Tree Advisory Group in the notable tree review work required for the District Plan change.
72	Katie Abbot and Jeremy partridge Greytown tree Advisory Group	Request SWDC resolve to adopt the NZAA guidelines on best practice protective tree fencing.	Council already uses the Guidelines when considering issues around trees in public places. The provisions of the WCDP are followed when dealing with trees on private land.	Council officers are to ensure the NZAA Guidelines have been adopted as part of Council policy on trees in public places. Council officer’s comment applies regarding application of the WCDP.

77	Katie Beattie	Amenities - Is there specific funding for Lake reserve, and the creation of a direct walking and cycling access to the lake from Featherston if not why not?	No	No budgetary change. Linkages to be developed as outlined below. <i>COUNCIL RESOLVED (DC2016/83)</i> to acknowledge the strong support from the community for the Cycle Strategy document, and the traffic safety component priority, and to develop a works plan for the future based on the linkages identified through the annual planning process. <i>(Moved Cr Jephson/Secoded Cr Robertson)</i>
78	Deborah Donaldson	Roading – Footpaths – Urge council to reconsider no new footpath policy in relation to areas being highly developed. These footpaths should be considered essential within the development. Example Humphrey Street Kempton to Elmstead especially given there is a 100km drop to 50km that many struggle to abide by.	Maintenance on existing is the current priority.	Noted, Council officer’s comment applies.
79	Claire Bleakley	Pensioner Housing – Status Quo	Noted	<i>COUNCIL RESOLVED (DC2016/87)</i> to retain the pensioner housing units and request that Council officers investigate ways of managing the service provision. <i>(Moved Cr Montgomerie/Secoded Cr Robertson)</i>

82	Ngawi rate Payers Association	Amenities – Thank you for explicitly stating the Ngawi Fire station Septic Tank renewal and ask it be completed as soon as possible.	Noted	Noted
82	Ngawi rate Payers Association	Solid waste – Continue the refuse and recycle point at Ngawi and introduce one at Whatarangi or Humenga Point at least for the summer. Last summer there was a notable increase in dump as you go.	The solid waste contract is under review, for consideration.	Noted, Council officer’s comment applies.
82	Ngawi rate Payers Association	Solid waste – install a bottle bank at the Ngawi camp Ground	The solid waste contract is under review, for consideration.	Noted, Council officer’s comment applies.
82	Ngawi rate Payers Association	Amenities – install a little green dog and plastic bags at Ngawi and the Light House.	SWDC does not use the green dog style of bin for dog waste but uses regular bins. Could look at placing dispenser poles for the bags at both locations; however we have no plans for permanent rubbish bins at the light house.	Noted, Council officer’s comment applies.
82	Ngawi rate Payers Association	Amenities - install a picnic area, off road parking and picnic tables at Whatarangi. Association happy to provide labour.	Car parking area is to be provided at Whatarangi by Fulton Hogan. Will look into picnic tables.	Noted, Council officer’s comment applies.
82	Ngawi rate Payers Association	Amenities – Association is happy to provide assistance if the council facilitates these projects through an explicit community partnership.	Noted	Noted, Council officer’s comment applies.
82	Ngawi rate Payers Association	Amenities – Install a Green waste disposal area in close proximity to Whatarangi Point. Reduce fire risk and road safety.	The solid waste contract is under review, for consideration.	Noted, Council officer’s comment applies.

82	Ngawi rate Payers Association	Roading - Erosion of the beach at Ngawi is an ongoing problem but one of particular concern to the recreational boating community which relies on being able to safely launch and retrieve vessels on the eastern corner of the beach. The Association requests that some coordination be done with road repair contractors to enable a modest amount of backfilling and beach 'grooming' to ensure the safety of those using the area.	Beach grooming is beyond current budgets and road funding under NZTA guideline could not be used.	Noted, Council officer's comment applies.
82	Ngawi rate Payers Association	Roading – review speed limits and one way bridges along the road	Further information requested.	Council officers to seek clarification on the request. <i>COUNCIL RESOLVED (DC2016/84)</i> to request a report from Council officers recommending streets and roads in the district to be included in a speed reduction request submission to NZTA. <i>(Moved Cr Riddell/Seconded Cr Craig)</i>
82	Ngawi rate Payers Association	Roading – Encourages council to maintain and consolidate the road maintenance program. This is for both locals and visitors.	Require further clarification.	Council officers are to write and thank Fulton Hogan for the work undertaken in keeping the Cape Palliser Rd open.
82	Ngawi rate Payers Association	Tourism – Association would like to work with the council to improve the Zuleika site. A project that was started in 2014/15.	Noted and will follow up directly with Association	Noted, Council officer's comment applies.
82	Ngawi rate Payers Association	General The association is not seeking priority or preference but consolidation and partnership to move forward.	Noted	Noted

83	Wairarapa Forest and Bird Sustainable Wairarapa South Wairarapa Biodiversity Group (Perry Cameron)	Resource and funding for a meaningful approach to climate change in this annual plan.		No budgetary change.
83	Wairarapa Forest and Bird Sustainable Wairarapa South Wairarapa Biodiversity Group (Perry Cameron)	Improved air quality in towns	Council has no statutory requirement to ensure air quality in towns as under the Resource Management Act that is a function of regional councils. However Council has chosen to support clean air in our district and allocates funds to programmes which target the sources of contaminants such as domestic fires. It also has bylaw requirements which control outdoor fires which also benefit air quality. In that regard this Council already does more than many equivalent territorial councils around the country.	Noted, Council officer’s comment applies.

85	Alfred Page	Roothing – Brandon Street fill in drain to allow widening and kerb and channel and reduce risk of cars in drains (3 in recent times)	Brandon Street is wide, the west end has low traffic and no exit thus is an access road only. Kerbing priorities should be infill of existing system	Noted, Council officer’s comment applies.
85	Alfred Page	Roothing – Install a pedestrian crossing at the south end of Featherston	Added to list for consideration SH 2 not council responsibility, strict criteria on vehicle travel time, pedestrian counts etc. very unlikely to be done.	Noted, Council officer’s comment applies.
