AGENDA ITEM 4.1

GRANT FUNDING ALLOCATIONS 2020-21

Purpose of Report

To present the review of grant funding applications for 2020-21.

Recommendations

Officers recommend that the Subcommittee:

1. *Receive the Grant Funding Allocations 2020-21 Report.*
2. *To consider allocating funding to Community and Youth grant applicants for grant applications received for the 2020-21 financial year.*

1. Background

The Community and Youth Grant applications for 2020-21 are submitted for review and consideration to the Subcommittee.

2. Discussion

Applications for Community and Youth discretionary grants for 2020-21 year closed on 10th August 2020.

The total available discretionary grants for the 2020-21 financial year were set by Council as part of the Annual Plan 2020-21.

Council allocated \$157,000 for community grants and \$75,000 for youth grants.

Council delegated authority to the Grants Subcommittee to allocate grants as per the Grants Policy and up to the specified budgeted limits set out in the Annual Plan.

2.1 Grants Policy

Council's policy seeks to support and resource initiatives that meet identified community needs, which contribute to community empowerment and strengthen communities. Community and Youth grants are primarily for the benefit of the district's residents.

The Policy sets out the eligibility and outcomes Council considers when allocating grant funding.

2.1.1. Eligibility

Organisations and groups making an application must be not-for-profit, and not involved with any commercial activity. They must be South Wairarapa based or with a distinct activity in the district and be in line with the objectives and community outcomes of the South Wairarapa District Council.

They should preferably be incorporated in their own right or directly linked to another incorporated organisation.

Individuals may not apply.

Applicants may not be in receipt of any other Council concessionary or financial support, approved or given for the same financial year.

2.1.2. Outcomes

Grants will be allocated to organisations which contribute to the community in at least one of the following areas. The funding categories are aligned to the five community outcomes as outlined in the Long Term Plan (LTP).

Funding Categories	LTP Community Outcome
Arts, museums, heritage and culture (includes Maoritanga)	Vibrant and Strong Communities
Environment	Sustainable South Wairarapa

Sport and Recreation	Accessible Communities, Vibrant and Strong Communities, Healthy and Economically Secure

Economic Development	Healthy and Economically Secure, Accessible Communities

The activities must benefit the South Wairarapa district, or, at the discretion of the Council, the Wairarapa region. Regional funding will be considered on a per capita basis and must show a tangible direct or indirect benefit to South Wairarapa.

In addition Youth Grants are targeted to support activities that encourage development and enable participation of young people in the South Wairarapa.

2.1.3. Ineligible Costs

As per the Grants Policy grants will not be distributed for:

- Overseas travel.
- Reducing debt servicing.
- Private expenses outside of the agreed project scope.
- Services or projects seeking to promote commercial, political or religious objectives. including political advocacy projects or commercial enterprises.
- Costs associated with fundraising events where profits are redistributed to another group.
