

MARTINBOROUGH COMMUNITY BOARD

5 NOVEMBER 2020

AGENDA ITEM 10.1

CHAIRPERSON REPORT

Recommendations

The chairperson recommends that the Community Board:

1. *Receive the Chairperson Report.*

1. Topic 1 – SWDC Spatial Plan and Long Term Plan (LTP)

Since our last meeting I have attended Council's workshops for the progression of its Spatial Plan. The Community Board have also all participated in the information sharing evenings (i.e. P&K) and multiple targeted workshops for the LTP. This culminated in the Martinborough Community Evening Workshop held in the Waihinga Centre. We look forward to seeing how these ideas help to form and inform the upcoming Long Term Plan.

2. Topic 2 – 150 year Anniversary for settlement at Waihinga, Martinborough

I was called by our Committee Advisor to let me know that the Amenities Manager, has discussed the planting of a tree at Centennial Park with Councillor Colenso.

If Councillor Colenso could please provide an update for the rest of the Board. Thank you.

3. Topic 3 – Community Engagement

As discussed at our last Community Board Meeting, we wanted to make ourselves more readily available for those who might not get into town during the week, or have an opportunity to address something with us. We began our monthly "Drop In" on October 3 at the Waihinga Centre. I would like to thank all the members of the Community Board for making themselves available to attend our first Drop In. Our next Drop In morning will be this Saturday 7 November.

Nga mihi nui ki a koutou (thank you all)
