- If you move to another urban South Wairarapa property, a reapplication is required at 50% of the permit cost.
- If you rehome any dogs, a change of ownership form must be filed, and Council notified of the new owner.
- If the permit is not granted or the number of dogs is not permissible, you will be required to reduce the number of dogs as agreed with Council. This must be done within 28 days. If additional dogs are not removed a \$300 infringement will be issued.
- NZKC registered breeders can change dogs without an inspection.
- Three or more dog permits are valid for dogs listed only, a new permit will be required for a change of dogs (excludes NZKC permits)
- Permit approval is at the discretion of South Wairarapa District Council.
- A permit can be revoked at any time at the discretion of South Wairarapa District Council.

I understand that my immediate and close neighbour's will be contacted, and any valid complaints will be taken into account.  
I agree to the terms and conditions of this application and confirm that the information about myself and my dogs is true and correct.
