

Community Development in South Wairarapa

A brief overview of the South Wairarapa
District Council's new Community
Development Coordinator Role

South Wairarapa District Council (SWDC) appointed a 0.9 FTE Community Development Coordinator, 18 January 2021. This is a new role for South Wairarapa District Council.

Until 30 June 2021 this role is also supporting the Mayors Taskforce for Jobs Recovery initiative (0.5FTE)

Community Development Coordinator purpose:

To work in partnership with residents, community groups, agencies, community boards and councils to develop, coordinate and provide a wide range of initiatives, programmes, services and/or policies that enhance community wellbeing and aspirations.

Community Development Coordinator role background:

- Community Development has been identified as a key gap that we needed to address.
- A joint role was established with Carterton prior to Covid-19 – impact and effects created by pandemic reinforced need.
- Role split from Carterton - initial scoping showed significant need across District.

So, what is Community Development?

Community Development

is about everyone working together to make our communities a fantastic place to grow up, grow old and everything in-between. It is relationships, shared experiences and working together to create a sense of belonging.

Community-Led Development

- fostering communities to thrive, be strong and resilient.
- focus on communities of 'place' where local residents are the heart and key catalysts for their own and their community's development.
- allows different sectors (business, local and central government, iwi, pacific organisations, funders and voluntary organisations etc) agencies and services to work together to create local solutions and shared way forward

What is Community Led Development in Local Government

- Work together to create and achieve locally owned visions
- Building on local strengths and assets
- Communities own the change and lead where possible.
- Local body enablers are there to support, connect, advise, guide, resource, inform and leverage.

5 key Principles of Community-led development :

Grow from shared local visions

Build from strengths

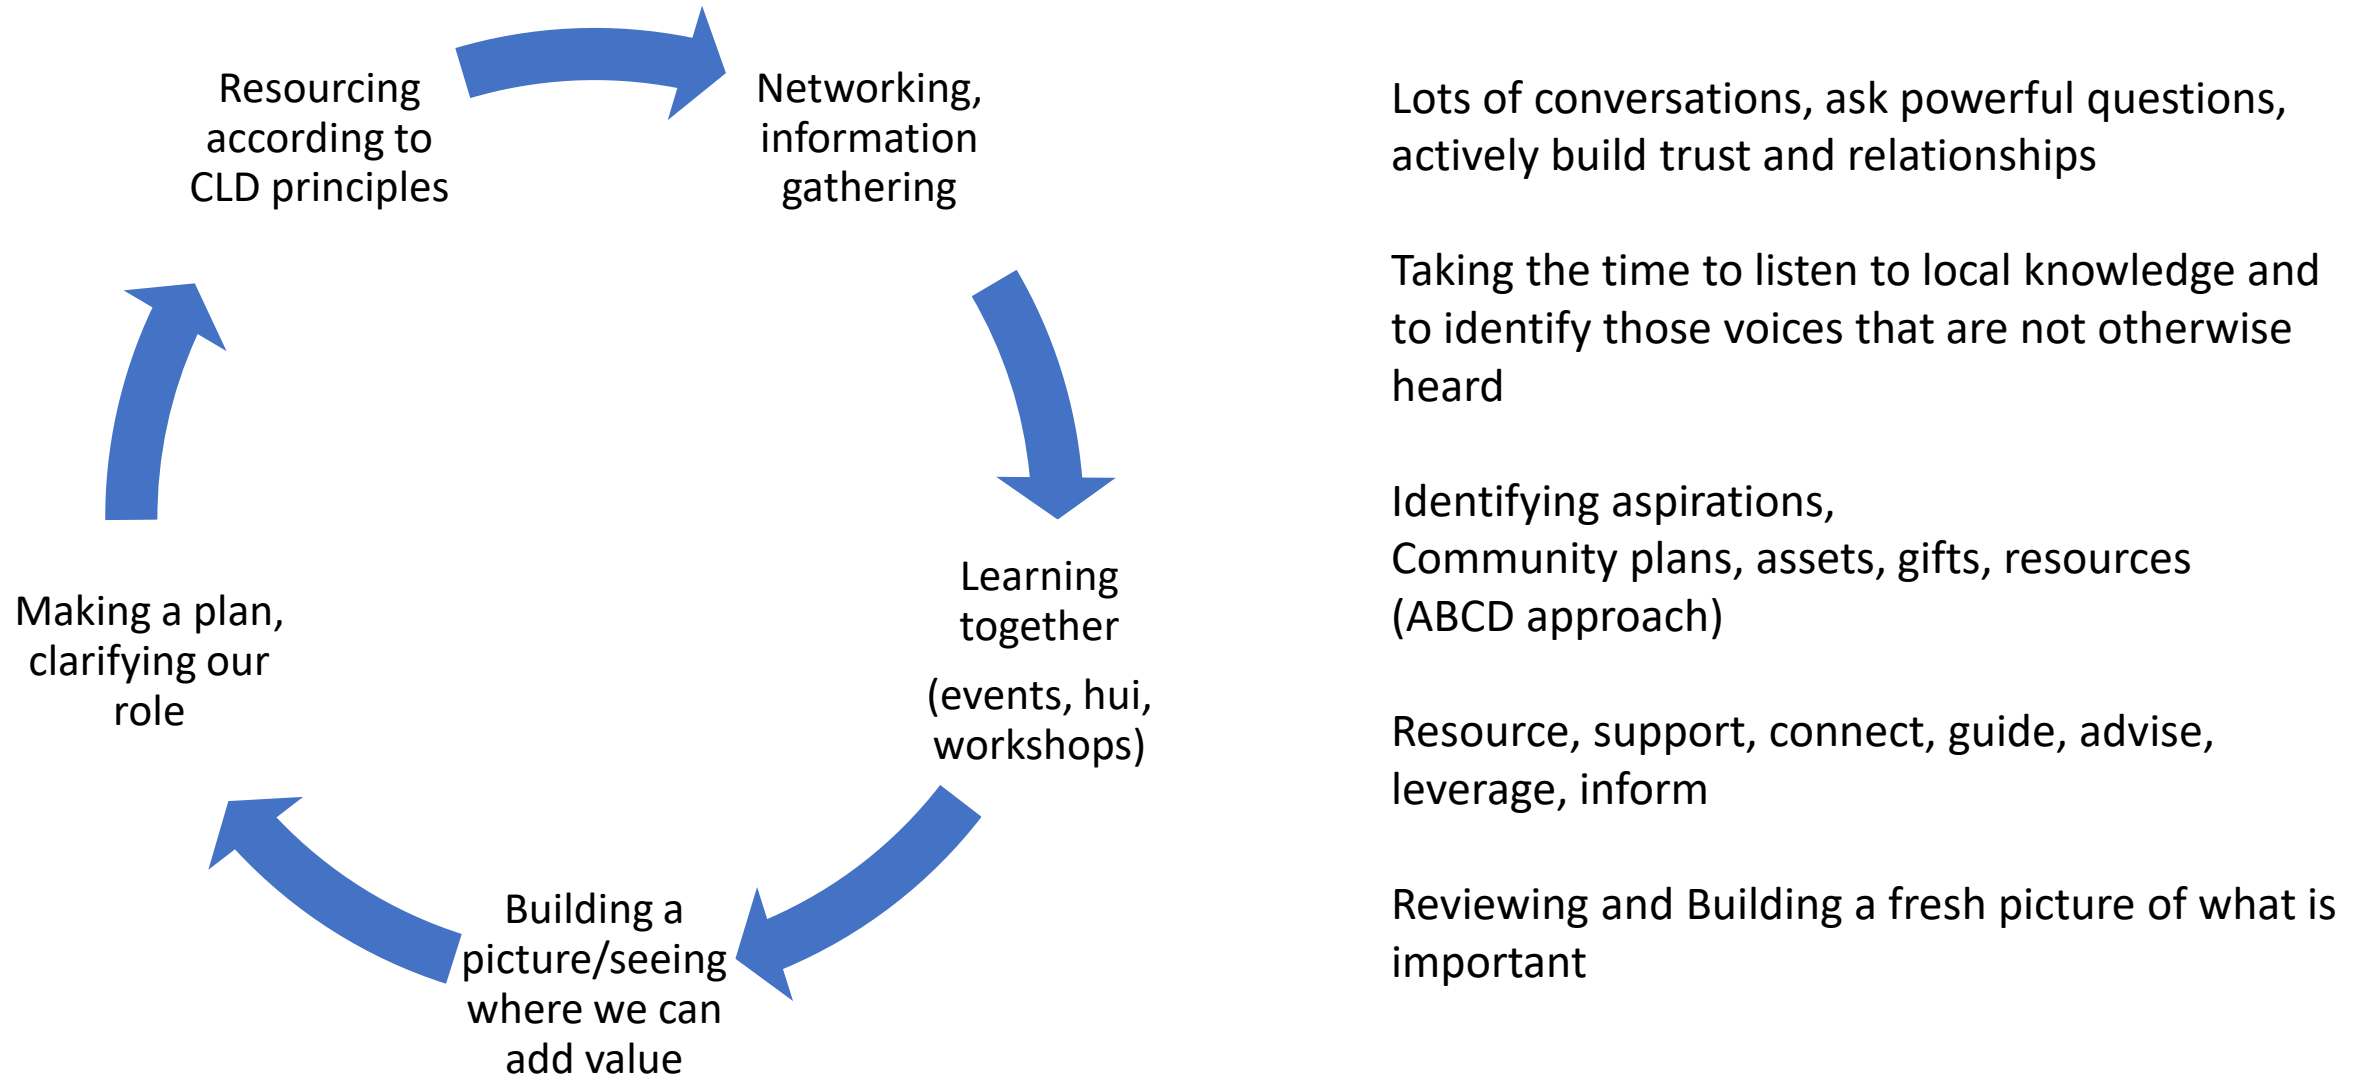

Work with diverse people & sectors

Learn from doing

Grow collaborative local leadership

Mayors Taskforce for Jobs

Taskforce's Vision : *That all young people under 25 be engaged in appropriate education, training, work or positive activities in their communities.*

MTFJ Mission

- Integrate education, training, employment, economic and community development
- Maximise opportunities for our youth that are future-focused and aligned with economic development
- Build knowledge, skills and relationships with ongoing benefits to youth, employers, communities and the New Zealand economy

Key to local success for this initiative:

- We identify jobs, training and activities that align with the young people's aspirations
- Employers are youth employee ready
- Everyone; Council, Iwi, communities, local businesses, agencies, providers and educators work together to identify local solutions to achieve this vision for our young people and for the future prosperity of the region

Employers connected with MTFJ for South Wairarapa rangatahi

We have been working steadily to connect with local employers since February 2021, and have doubled the number of employers who are keen to support MTFJ in South Wairarapa.

We have connected with multiple new groups, committees, hapū and marae to ensure that MTFJ opportunities are accessible to more rangatahi and job seekers in our community.

Approximately 24 job opportunities have been identified through MTFJ over the last 4-6 weeks.

2 full time employment outcomes in the last 2 months.

2 new Youth Coordinator roles for WWT just confirmed.
