*My principal place of residence is in the Martinborough Community Board area.*

I wish to reapply for another term on the Martinborough Community Board. I have enjoyed my three years but most was spent learning protocols etc, And the next three, hopefully I'll be able to do a lot more. I have time, energy and enthusiasm to offer! I love living in Martinborough and wish to contribute to the youth and aged especially as I'm fast becoming one of the latter.
