Staff Recommendations				

Divine River have not received any funding from the Greytown Community Board in the current or last financial years.

Divine River and their workshops and resources are well received by the community. The applicant has detailed varying measures of success that could reported back to GCB and aligns with the social, environmental and economic outcomes detailed in the grants policy.

As this project is specific to Greytown, receiving additional specific information on the 'Greytown community hubs, schools and local groups' that are involved or benefit from the delivery of this programme may support a grants decision from the board.

Council Officers recommend fully funding conditional on either letters of support from Greytown groups and/or testimonials to be shared at the GCB meeting, at which the applicant will speak.

DISCUSSION

1. Meetings, workshops or events attended on behalf of Greytown Community Board since the last meeting.

Studio 73 Update- 16/12/2024

2. Time Capsule 2025

Graeme Grey has brought it to my attention that there is a time capsule to be dug up this year and a suggestion we bury another. I think both are a good idea so we need to discuss when might be a good idea to do both. I am thinking it might be nice to have a proper community invite out to attend the opening of the time capsule and then allow some time for the community to come together with what to bury for the next juncture of time.

3. Flags for each month

We do not currently have 12 months of designs or in our case 10 to 11 months given Festival of Christmas has a flag month as does Wairarapa Garden Show when they hold it down here. On occasion the Trax Flags predesigned go on sale but if we want to be certain to get enough of any one particular type of flag, for example summer, we need to look at getting some more.
