- **Class 3** – restaurants that only serve alcohol to the table and do not have a separate bar area.

#### Clubs

- **Class 1** – large clubs (with 1,000 or more members of drinking age) and which, operate in the nature of a tavern (for example a large working men's club, combined clubs, or large 'cossie' clubs).
- **Class 2** – clubs which do not fit class 1 or class 3 definitions (for example larger sports clubs, medium sized RSAs, many provincial social clubs).
- **Class 3**- small clubs (with up to 250 members of drinking age) and which operate a bar for 40 hours or less per week (for example small sports clubs like bowling clubs, golf clubs, bridge clubs, and small RSAs).

### FAQs

**Q.** If I renew my licence do I need to pay the annual fee and the application fee?

**A.** Yes, you will need to pay both. The application fee needs to be paid at the time of application (minimum 20 working days before the licence expiry) and the annual fee will be invoiced by Council before the anniversary date.

**Q.** How do I determine what Class of restaurant I own – 1, 2 or 3?

**A.** You need to consider the definitions above to work out which category applies. A Licensing Inspector will review your premises category before the annual fee is invoiced.

**Q.** What types of premises are included in “other”?

**A.** Caterers, universities, polytechnics, complementary sales (e.g. gift stores).

**Q.** If my restaurant is open for fewer hours than my licence allows, hours can I be considered to have a lower weighting for hours?

**A.** The latest hours of trading for assessing your risk weighting are the maximum trading hours under your licence. If you wish to change your maximum trading hours you will need to apply for a variation of your licence.
