

South Wairarapa District Council Martinborough Community Board Electing 4 Board Members

Bob PETELIN

My principal place of residence is in the Martinborough Community Board area.

I am also standing for Martinborough Ward.

My main concern is the ever increase of our rates over the past six years our rate have gone of close to 60% with no change for extra service in fact the service have declined, some to 50% or more.

You have my solemn promise that if elected I will not support any increase above the rate of inflation and I will push for accountability in the council spending and decision making.

I'm a resident of Martinborough for the last 25 years and I believe the councillors should reside in the ward.

The annual plan (Councils Budget) provides for any increase in rates the minimum services to be as they are not increase rates and reduce services as they have done.
