

South Wairarapa District Council Greytown Community Board Electing 4 Board Members

Christine STEVENSON

My principal place of residence is in the Greytown Community Board area.

I have lived in Greytown for 34 years and have always been involved in some aspect of the community.

Having been Chairperson on the Board for nearly three terms, I continue to find this role interesting, challenging

and rewarding. I find the workings of Local Government intriguing and enjoy working with the community. I am interested to talk to new residents about fresh perspectives yet I value those who share vast knowledge and history of Greytown.

I am proud of what the Board has achieved. We have supported numerous projects, financially or with manpower. Some of these include The Cycle Trail, Stella Bull Park, the Playground, the Men's Shed, the Information Centre, Lions' Walkway. We have appointed a student representative and we are meeting with community and business groups to better gauge how we can meet their needs.

I would love the opportunity to continue working for the Greytown Community
