

South Wairarapa District Council

Featherston Ward

Electing 3 Councillors

Colin OLDS

My principal place of residence is not in the Featherston Ward area.

I'm a trained motor mechanic.

I've run several successful businesses over a period of 35 years including two private rest homes, a motor vehicle dealership and more recently Featherston Motels and

Camping.

I understand what matters to the locals and to those of our ratepayers who enjoy the weekend experience that the South Wairarapa offers.

I assist the community in every way I know how - I'm proud to call myself a Featherston Lion and an Honorary Fisheries Officer.

I've worked as the Coastal Ranger for the Council since 2008.

The 5 most important concerns for the South Wairarapa (SW) in 2013:

1. Enticing new business and retaining current business to the SW, particularly to Featherston
2. Preservation of the Wet Lands around Wairarapa Moana
3. Strengthening our Community (groups and organisations)
4. Improving Featherston infrastructure and the general appearance of the town
5. Amalgamation of the three Wairarapa Councils.
