

# SOUTH WAIRARAPA DISTRICT COUNCIL

26 JUNE 2019

## AGENDA ITEM B2

### RECOMMENDATIONS FROM COMMITTEES

#### Purpose of Report

To provide an opportunity for members to consider recommendations received from other committees.

#### Recommendations

Officers recommend that the Council:

1. *Receive the Recommendations from Other Committees Report.*
2. *That the following recommendations from the Assets and Services Committee be considered:*

<b>Recommendations from Assets and Services Committee</b>	A&S2019/08
<ol style="list-style-type: none"><li>1. To recommend to Council to engage with the district on proceeding with a manganese plant to allow permanent chlorination based on 75% loan funding with the remainder of the required funding coming from the Martinborough infrastructure reserve.</li><li>2. To recommend to Council to continue to temporarily chlorinate the Martinborough water supply in the meantime.</li><li>3. To recommend to Council to continue to design a manganese removal plant, and that purchase of long lead time items should be approved and then undertaken as soon as possible.</li><li>4. To recommend to Council that Council officers be instructed to take all measures to reduce demand and publicise water use regularly.</li></ol>	

## 1. Background

### 1.1 Assets and Services Committee

Reports relating to the above recommendations were included in the public excluded agenda for the Assets and Services Committee meeting held 19 June 2019.

The Assets and Services Committee agenda is available for viewing on Council's website under the following link [Assets and Services Committee Agenda and Minutes | South Wairarapa District Council](#).
