Recommendations

His Worship the Mayor recommends that Council:

5. Wellington Regional Leadership Committee (WRLC)

On the 10 February 2021, Council agreed to establish the Wellington Regional Leadership Joint Committee and to appoint me as Council's representative. At the time we elected not to appoint an alternate.

The Committee has the following delegations:

a. Approval of all plans and implementation programmes necessary to fulfil the specific responsibilities of the Joint Committee, including:

i. Wellington Regional Growth Framework and the Wellington Regional Growth Framework Implementation Plan

ii. Regional Economic Development Plan

iii. Regional Economic Recovery Implementation Plan

b. Approval of all submissions and advocacy statements necessary to fulfil the specific responsibilities of the Joint Committee.

It is important that we have a delegate at the table with voting rights should I be unable to attend; therefore I recommend that the Deputy Mayor be the nominated alternate.

6. LGNZ Remits

A report will be presented to the 30 June Council meeting outlining the remits that member councils' delegates will be asked to vote on and requesting that Council delegate authority to vote to the Mayor.
