

**COUNCILLOR REPORT**  
**for**  
**South Wairarapa District Council Meeting**  
**Wednesday 5 April 2017**

---

<b>Councillor's Name</b>	Dayle Harwood
<b>Meeting – Date &amp; Venue</b>	23/2/17 Featherston Community Centre followed by trip to Lake Domain then Wairio/Boggy Pond to view various improvements.
<b>Key issues from meeting</b>	Agreement for a press release relating to control of Perch in Wairarapa Moana Wetland. The proposed combined Management Team/Governance Group "visioning" workshop currently scheduled for early April should have a change in emphasis with the intention of: <ul style="list-style-type: none"> <li>• producing a forward-looking "briefing" document for the proposed Statutory Board.</li> <li>• identifying appropriate opportunities for the Project ahead of the transition to ensure the current momentum is sustained while not pre-empting decisions that may be more appropriate for the Statutory Board to make.</li> </ul>
<b>Speakers</b>	Tim Porteous, Chair Wairarapa Moana Management Group Kathy Houkamau, Department of Conservation.
<b>Specific item/s for Council consideration</b>	Extension of cycleway from Soldier Settlement Road to Lake Domain continuing around Western shoreline to Pigeon Bush.
<b>General</b>	Roofed shelter at Lake Domain is waiting for consents. Walking track and viewing platform at Lake Ferry.
