4 Deliberations on all Submissions

The Mayor and councillors deliberated on all submissions; decisions as per Appendix 1. Decisions from the Draft AP 2014/15 highlighted proposals are as follows.

Martinborough Town Hall Community Centre

Mr Crimp tabled a project risk report and a project milestones report. Mayor Staples asked councillors whether they agreed with the principal of the project and whether there was enough information for Council to move forward with the project. Councillors noted that the next milestone (tranche 1) could be completed at a cost of \$325,000, with the project able to be halted after determining whether applications for funding had been successful.

COUNCIL NOTED:

1. Action 293: Obtain a proposed timeline for the Martinborough Town Hall Community Centre Project; P Crimp
2. Action 294: Review all documentation related to Huangarua Park to determine Council's obligations and ability to sell; P Crimp
3. Action 295: Provide a report for the 19 June 2015 outlining in detail anticipated financing and borrowing for the MTHCC, including how this fits with Council policy. Include commentary of downstream impacts (other projects not able to be funded) should the project be approved. Include financial impacts of the project being halted after tranche 1; P Crimp

COUNCIL RESOLVED (DC 2014/80) that the Draft AP 2014/15 submissions hearings and deliberations meeting on 10 June 2014 continue beyond the six hour time limit on meetings prescribed by the NZ Standard Model Standing Orders for meetings of Local Authorities and community boards.

(Moved Cr Craig/Seconded Cr Davies)

2km's of New Seal

Mr Crimp tabled the criteria used for creating the priority list of roads to be sealed and the priority list of roads to be sealed as determined by Council officers. Councillors agreed with the criteria for determining priority but not the extrapolation and resulting list.

Council agreed that 2000 metres of road sealing for the 14/15 year be retained in the budget. Approximately 1700 metres of Te Muna Road and approximately 300 metres of Fraters Road is to be sealed using the newly budgeted funds. Approximately 1000 metres of Fraters Road is to be sealed from the subdivision reserves fund. The total length of new seal for the 2014/2015 year will amount to approximately 3000 metres.

Cr Riddell was in favour of prioritising roads for sealing at Cape Palliser or Tora (as per the reseal priority list).

COUNCIL NOTED:

1. Action 296: Review funding for road sealing and preparation of coastal roads for future years given future industry demands; P Crimp
2. Action 297: In conjunction with councillors compile an agreed road reseal/seal priority list for future years; P Crimp

67	Jennifer and Hank Courtney	Part 3 – Land Transport: Requests a footpath be provided on Oxford Street.	That there will be no new footpaths in the 14/15 year and that the budget for new footpaths is diverted into footpath maintenance. The existing footpath plan will be retained for the 14/15 year, however a maintenance plan will be developed with work commencing in the areas that need repairs the most. A quote for a lime track down Oxford Street is to be sought.
68	Living Streets Aotearoa	Part 3 - E, C & C Development: Requests \$750 to enable SWDC to be a category sponsor for the 2014 Golden Foot Walking Awards to be held in Nelson.	Council were unable to provide financial assistance due to budget constraints.
69	Katherine Jacobs	Part 3 – Land Transport: Requests sealing of Te Muna Road.	The submitter be advised that 2km of road sealing for the 14/15 year is to be retained in the budget. The 'exact' length of road sealing is dependent on road width and termination at an appropriate point. 1700 metres of Te Muna Road and 300 metres of Fraters Road is to be sealed using the newly budgeted funds. An additional 1000 metres of Fraters Road is to be sealed from the subdivision reserves fund. The total length of new seal for the 2014/2015 year will amount to approximately 3kms. These roads were justified using the criteria in the officer's report to Council in December 2013. Although Council agree with the criteria used, the application was not consistent and a taskforce was to be setup to compile an agreed priority list for future years.
70	NZ Hockey Federation	Part 3 - E, C & C Development: Requests SWDC enter into a partnership with Hockey NZ to bring two hockey tests to the region in Oct 14. Requests \$10k from the SW community, a specific amount from SWDC not indicated. 71c	Martinborough Community Board	Part 3 - E, C & C Development: Supports Council's involvement within this area and supports Destination Wairarapa funding.	The submitter be advised that Destination Wairarapa will continue to receive funding for the 2014/2015 year.
71d	Martinborough Community Board	Part 3 - E, C & C Development: Requests Council assistance to help obtain and document information related to the UFB fibre lay in Martinborough. Requests that Council advocate for rapid and affordable access to high speed broadband services to network providers and central govt.	That a letter is written to political candidates asking how they plan on progressing this issue for the South Wairarapa. Mayor Staples/officers to work with the community to ensure a unified approach.
71e	Martinborough Community Board	Part 3 - Amenities: Supports a new toilet block being placed at Ngawi surf point.	The submitter be advised that the work is budgeted and planned for the 13/14 year.
71f	Martinborough Community Board	Part 3 - Amenities: Supports the repairs and improvements as outlined for MBA pool	Noted.
71g	Martinborough Community Board	Part 3 - Amenities: Requests that Council repair the pool covers and implements a system that allows the covers to be used in windy weather. Notes that pool covers weren't used in the 13/14 season.	The submitter be advised that repairs are to be made to the pool covers and that officers are to work with contractors to ensure covers are used in the 14/15 season.
71h	Martinborough Community Board	Part 3 - Amenities: Requests that Council review the pools contract to ensure staff are available to put the covers on daily and that the slide can be used every weekend and over school holidays (at a minimum).	The slide will be in use whenever possible (outside windy periods).
71i	Martinborough Community Board	Part 3 - Amenities: Requests that Council review the mowing contract of the MBA playground and reprioritise town centre amenities over park areas such as Considine Park.	The submitter be advised that programs can be reviewed with the MCB in early 2015 with substitution of area for area as required.
71j	Martinborough Community Board	Part 3 - Solid Waste Management: Request that Council investigates a rubbish collection and tidy up of the MBA Square and playground on Saturday and Sunday mornings.	The submitter be advised that an additional \$10,000 has been set aside in the budget for town centre weekend cleaning.
71k	Martinborough Community Board	Part 3 - Solid Waste Management: Request that Council investigates a rubbish collection and tidy up of the MBA Square and playground on Saturday and Sunday mornings.	As above.
71l	Martinborough Community Board	Part 3 - Amenities: Request that Council have available and provide to event managers a comprehensive plan of all services, electricity, and irrigation etc. for the MBA Square.	Officers are to ensure this information is made available to the MCB and event managers on request.

71m	Martinborough Community Board	Part 3 – Amenities: Supports the provision of a town centre beautification budget and requests that MBA's funds be carried forward and allocated to Square development coordinated with MTH landscape development.	The MCB town centre beautification budget for 13/14 can be carried forward to the 14/15 year.
71n	Martinborough Community Board	Part 3 – Land Transport: Request that Council's footpath budget for repairs and renewals is increased. Support Council's stated position to provide CBD footpaths on both sides of the street and a single footpath in other urban streets.	That there will be no new footpaths in the 14/15 year and that the budget for new footpaths is diverted into footpath maintenance. The existing footpath plan will be retained for the 14/15 year, however a maintenance plan will be developed with work commencing in the areas that need repairs the most. A quote for a lime track down Oxford Street is to be sought.
71o	Martinborough Community Board	Part 3 – Land Transport: Request that MBA's footpaths are prioritised as follows: Roberts Street (Grey to Weld) Dublin/Princess Corner Dublin from Sackville to Regent Esther Regent from Esther to Dublin Request that a lime path option is investigated for Oxford Street out to Todds Road.	That there will be no new footpaths in the 14/15 year and that the budget for new footpaths is diverted into footpath maintenance. The existing footpath plan will be retained for the 14/15 year, however a maintenance plan will be developed with work commencing in the areas that need repairs the most. A quote for a lime track down Oxford Street is to be sought.
71p	Martinborough Community Board	Part 3 – Land Transport: Support Council's commitment to this road and ongoing advocacy efforts to NZTA to secure funding.	Noted.
71q	Martinborough Community Board	Part 3 – Solid Waste Management: Request that Council revises the rubbish collection day for MBA to Monday due to weekend visitors leaving rubbish out until the Wednesday collection.	The submitter be advised that officers are to discuss waste management with Council further at an Infrastructure and Planning Working Party meeting. Individual needs of the towns should be considered (i.e. B&B concentrations and wind factors). The costs and practicalities of providing large wheelie bins is to be discussed.
72	Simon Campbell	Part 3 – Land Transport: Requests sealing of Te Muna Road.	The submitter be advised that 2km of road sealing for the 14/15 year is to be retained in the budget. The 'exact' length of road sealing is dependent on road width and termination at an appropriate point. 1700 metres of Te Muna Road and 300 metres of Fraters Road is to be sealed using the newly budgeted funds. That Destination Wairarapa be written to explaining the existing provisions contained in the DP to manage light and advise that the Phoenix Astronomical Society could apply for a plan change if desired.
81e	Destination Wairarapa	Part 3 – Land Transport: Encourages Council to do whatever is necessary to keep the Palliser Road to Cape Palliser Lighthouse open.	Submitter be advised that NZTA have not made a final decision on SPR's and SWDC is working with NZTA to achieve the best outcome possible
81f	Destination Wairarapa	Part 3 – Amenities: Supports Council's decision to provide for the development of a toilet block at the Ngawi Surf Point.	The submitter be advised that the work is budgeted and planned for the 13/14 year.
81g	Destination Wairarapa	Part 3 - E, C & C Development: Requests an additional \$5,000 for a proposed Cycling Festival to be facilitated and marketed by DW.	That \$3,000 be granted in the 2014/2015 financial year to assist with the costs of facilitating and marketing a cycle festival.
81h	Destination Wairarapa	Part 3 - E, C & C Development: Acknowledges Council's financial contribution and asks that continued funding of the organisation be included to ensure the ongoing promotion of Wairarapa and ultimately maximise the economic benefits of tourism	Council acknowledge the submission and advise that ongoing funding has been agreed as per the LTP 12/22.
81i	Destination Wairarapa	Part 3 - E, C & C Development – Regional Amenities Fund: DW would encourage the Councils to collectively or separately use any budgeted amounts for the Regional Amenities Fund to instead support Wairarapa amenities and events. DW is able to assist Council determine where a similar amenities fund's investment might give the greatest return to the Wairarapa and Wellington.	No budget change. Council noted that the letter was not a submission to the AP but general correspondence. Council will not contribute to this fund in the 14/15 year as there are more pressing matters where direct benefit can be gained.
82a	Robert Petelin	Part 3 – Amenities: Requests that if public assets are sold they are disposed of by public tender so that everybody gets a fair go to acquire the assets to be sold.	The submitter be advised that the submission is noted and was taken into consideration when the decision on the MTHCC was made.
82b	Robert Petelin	Part 3 – Land Transport: Requests that the footpath in Venice and Naples Streets between Broadway and Princes Street is repaired or resealed as it is in poor condition.	That there will be no new footpaths in the 14/15 year and that the budget for new footpaths is diverted into footpath maintenance. The existing footpath plan will be retained for the 14/15 year, however a maintenance plan will be developed with work commencing in the areas that need repairs the most. A quote for a lime track down Oxford Street is to be sought.
83	David Lawrence	Part 3 – Amenities: Does not support the proposal for the Martinborough Town Hall. Congratulates the MTHWG for a useful proposal but believes	The submitter be advised that the submission is noted and was taken into consideration when the decision was

84	Sue Fox petition (signatures of 549 people)	Part 3 – Amenities: Does not support the proposal for the Martinborough Town Hall/Community Centre. Requests that SWDC decline to approve funding for the MTH project.	The submitter be advised that the submission and petition is noted and was taken into consideration when the decision was made.
85a	Perry Cameron	Part 3 – Amenities: Expresses concern at the lack of a business case for the use of the 'land swap land' in Fstn. Requests business cases for the Town Square Development and the Menz Shed concept (incl. best site) are made available.	No budget change. The submitter be advised of the Council decision made on 4 June relating to the Featherston Town Centre.
85b	Perry Cameron	Part 3 – Amenities: Recommends engaging urban design expertise for Fstn Town Square Development. Submission included to Proposed Fstn Town Square development included as part of submission.	As above.
86	Wairarapa Balloon Society Inc.	Part 3 - E, C & C Development: Requests SWDC once again become a major sponsor of the Balloons over Wairarapa event and grant \$7,500 for this purpose.	Council is unable to provide financial assistance due to budget constraints.
87	Graeme Thomson	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
88	David Bull	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre. Recommends Council governance structure and staffing should be adjusted to help fulfil the goal of higher utilisation of the Town Hall.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made. That the submitter be advised that the request is noted and will be passed on to the Martinborough Town Hall Working Party Group.
89	Winifred Bull	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made. That the submitter be advised that her request is noted and will be passed on to the Martinborough Town Hall Working Party Group.

			Working Party Group.
91	Rachel Bartlett	Part 3 – Amenities: Supports the Martinborough Town Hall/Community Centre plan for fencing off the entire park	The submitter be advised that the submission is noted and was taken into consideration when the decision was made. That the submitter be advised that her request is noted and will be passed on to the Martinborough Town Hall Working Party Group.
92	JM Hogg	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre with one exception. Does not support the sale of Huangarua Park.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
93	Di Martin	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
94	Elly Otty	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre Requests that the park is fully fenced, not just a younger children's area.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made. That the submitter be advised that her request is noted and will be passed on to the Martinborough Town Hall Working Party Group.
95	PJ Cole	Part 3 – Amenities: Does not support the proposal for the Martinborough Town Hall/Community Centre, specifically the sale of bequeathed land.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
96a	Wim Julicher & Sue Darling	Part 3 – Land Transport: Supports the proposal to provide funding for 2km's of new seal per year.	The submitter be advised that 2km of road sealing for the 14/15 year is to be retained in the budget. The 'exact' length of road sealing is dependent on road width and termination at an appropriate point. 1700 metres of Te Muna Road and 300 metres of Fraters Road is to be sealed using the newly budgeted funds. An additional 1000 metres of Fraters Road is to be sealed from the subdivision reserves fund. The total length of new seal for the 2014/2015 year will amount to approximately 3kms. These roads were justified using the criteria in the officer's report to Council in December 2013. Although Council agree with the criteria used, the application was not consistent and a taskforce was to be setup to compile an agreed priority list for future years.

96b	Wim Julicher & Sue Darling	Part 3 – Land Transport: Requests that the 2km is allocated to Te Muna Rd to carry on the project already started in previous budget years	As above.
96c	Wim Julicher & Sue Darling	Part 3 – Land Transport: Request that similar funding allowances be made in future budgets for seal extension of Te Muna Rd until the sealing project is completed from end to end	That submitter be advised seal extension programme will depend on available funding as it does not attract NZTA funding.
97	Ian Campbell	Part 3 – Land Transport: Notes the gravel on Te Muna Rd is in worse condition than 50 years ago. Requests advice on who decides where the proposed seal extension is allocated	<p>The submitter be advised that 2km of road sealing for the 14/15 year is to be retained in the budget.</p> <p>The 'exact' length of road sealing is dependent on road width and termination at an appropriate point. 1700 metres of Te Muna Road and 300 metres of Fraters Road is to be sealed using the newly budgeted funds. 			officer's report to Council in December 2013. Although Council agree with the criteria used, the application was not consistent and a taskforce was to be setup to compile an agreed priority list for future years.
99a	Rosie Montgomerie	Part 3 – Land Transport: Does not support the proposal for 2km seal. Requests that the allocated money be used to widen North Rd in Greytown. Requests a priority list for gravel road maintenance/sealing (?) is developed.	The submitter be advised that 2km of road sealing for the 14/15 year is to be retained in the budget due to general support for the proposal. New maintenance Intervention Strategy to be implemented by Fulton Hogan regarding unsealed maintenance. North street widening to be submitted to NZTA for funding approval in new land transport plan. Officers are to determine what would make the road safer for pedestrians without putting in a footpath. The matter of sealing roads and priorities were justified using the criteria in the officer's report to Council in December 2013. Although Council agrees with the criteria used, the application was not consistent and a taskforce is to be setup to compile an agreed priority list for future years.
99b	Rosie Montgomerie	Part 3 – Amenities: Supports the cycleway proposal. Suggests linkages to Greytown in future years	The submitter be advised that her submission was considered and due to general support for the project the cycle trail will be developed as proposed.
99c	Rosie Montgomerie	Part 3 – Amenities: Requests Council support for development of a BMX track and skate park centrally located in Greytown (suggests Sarah's Garden)	Land has been made available for a facility for youth in Pierce Street. Any initiatives put forward by the GCB would be considered. Sarah's Garden is part of Stella Bull Park which is covered by a management plan. The present management plan emphasises the natural and historic features of the area and is not well-suited to BMX/skate-park functions.
99d	Rosie Montgomerie	Part 3 – Amenities: Suggests Council sell the Fstn land swap land to a developer and it is commercially driven and the Menz Shed is located elsewhere.	No budget change. The submitter be advised of the Council decision made on 4 June relating to the Featherston Town Centre.
99e	Rosie Montgomerie	Part 3 – Amenities: Requests the Gtn Swimming Pool is retained and brought up to standard for cleaning, surfaces, heating and possibly community fundraising to have it covered.	The submitter be advised that cleanliness and water quality is being dealt with through major repairs to the skimmer system. Resurfacing with fibreglass, as the best way to maintain the pool surface, will be carried out once funding is available to shorten the pool to 25m (as agreed by key stakeholders and Council). While the community may be able to raise funds to have pool covered and made into a year-round facility, the ongoing costs of operating the pool year-round are unlikely to be able to be met from ratepayer funding and admission charges.
99f	Rosie Montgomerie	Part 3 – Water Supply: Suggests that all new houses be required to have their own water tanks for garden and car cleaning use in the summer.	Provide the officer's report and minutes from the 23 April 2014 relating to the matter. Council can't require new houses to have supplementary water sources.
100a	South Wairarapa Biodiversity Group	Part 3 – Amenities: Thanks Council for riparian planting along lake edge, wastewater treatment area, restorative works at Okorewa Lagoon and beach cleans.	Noted
100b	South Wairarapa Biodiversity Group	Part 3 – Amenities: Lake Ferry Wastewater treatment, wetland planting project: Requests that Council provide funding of \$4,650 to complete stage 2 & stage 3 of the planting project as outlined in the submission and undertake to consider stage 4 as part of the 15/25 LTP.	The submitter be advised that \$2,000 has been allocated in the 14/15 year for additional planting subject to appropriate discussion and agreement with Council officers on an appropriate site for additional planting.
100c	South Wairarapa Biodiversity Group	Part 3 – Amenities: Extension of Onoke riparian planting to lake access reserve: Requests that Council provide funding of \$6,200 to complete stage 1 project as outlined in the submission and undertake to consider stage 2 as part of the 15/25 LTP.	As above.
100d	South Wairarapa Biodiversity Group	Part 3 – Resource Management: Recommends that Council initiate community consultation on best public use of the Lake Ferry reserve land to establish a vision, goals and long term objectives	Council write and advise the Group that it does not intend to develop a further plan for the reserve as the current plan has only very recently been adopted and already provides an adequate development framework for the Lake Ferry reserve.
100e	South Wairarapa Biodiversity Group	Part 3 – Land Transport: Requests Council commit infrastructure funding to repair and maintain the existing road access to Okorewa Lagoon (and the Palliser Coast) and commit further to create and maintain a carpark area – in collaboration with all relevant parties.	Council officers to gain clarity around access from relevant parties and get associated development/maintenance costs from Fulton Hogan.
101	WJ and EE Higginson	Part 3 – Amenities: Notes suggestions for improving the plan for the Martinborough Town Hall/Community Centre. Does not support the sale of Huangarua Park Does not support moving the toilets.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made. That the submitter be advised that the request is noted and will be passed on to the Martinborough Town Hall Working Party Group.

102	DR Harris	Part 3 – Amenities: Notes suggestions for improving the plan for the Martinborough Town Hall/Community Centre. Does not support moving the toilets.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made. That the submitter be advised that the request is noted and will be passed on to the Martinborough Town Hall Working Party Group.
103a	Trails Wairarapa Trust	Part 3 – Land Transport: Requests that Council enhance cyclist safety, facilities and business opportunities along the NZCT expansion routes (lower speed limits, wider road margins, increased signage, rest area improvements)	Council will consider proposals for economic development including the future development of the cycle trails. Officers are to discuss road speed reductions with Council further at an Infrastructure and Planning Working Party meeting. It was suggested that officers review cycling recommendations by Roger Bolton (Carterton resident).
103b	Trails Wairarapa Trust	Part 3 – Land Transport: Encourage Council to seal Te Muna Road to complete a cycle loop. Request that Council work with Fulton Hogan to make them aware of the most cyclist used routes and consider wide verges, share the road signage, safe bridge crossings and cycle friendly surfaces where possible.	The submitter be advised that 2km of road sealing for the 14/15 year is to be retained in the budget. The 'exact' length of road sealing is dependent on road width and termination at an appropriate point. 1700 metres of Te Muna Road and 300 metres of Fraters Road is to be sealed using the newly budgeted funds. An additional 1000 metres of Fraters Road is to be sealed from the subdivision reserves fund. The total length of new seal for the 2014/2015 year will amount to approximately 3kms. These roads were justified using the criteria in the officer's report to Council in December 2013. Although Council agree with the criteria used, the application was not consistent and a taskforce was to be setup to compile an agreed priority list for future years. Other work to be discussed with Fulton Hogan as part of their safety plans.
103c	Trails Wairarapa Trust	Part 3 – Amenities: Supports Council's cycleway proposal.	The submitter be advised that the submission was considered and due to general support for the project the cycle trail will be developed as proposed.
103e	Trails Wairarapa Trust	Part 3 – Amenities: Requests Council be aware of and encourage and support the continuing work it is doing to develop new trails in the Wairarapa, in particular the Underhill Trail and Ruamahanga Trail (detailed information about how	The submitter be advised that the submission is noted and will be considered when making the decision on the cycleway project. 103e	Trails Wairarapa Trust	Part 3 - E, C & C Development: Advises that TWT wishes to strengthen this part of their agenda and wish to fit in with SWDC, WDHB and Regional Public Health in this resolve.	Noted
104a	Wairarapa Chamber of Commerce	Part 1 – Community Outcomes: Would like to work with Council to ensure that Community Outcomes are achieved. Believes that the only economic development currently being completed in the region is tourism.	<p>That on 4 June 2014 Council agreed in principle to the formation of WREDA and as part of that agreement Council requested that consideration was given to allocating at least 50% of the Wairarapa rate take for economic development for Wairarapa initiatives.</p> <p>No budget change 14/15 as Council's priority is to provide neat and tidy towns that people to want to live in.</p>
104b	Wairarapa Chamber of Commerce	<p>Part 3 - E, C & C Development: Requests that Council fund projects in the area of 'local' economic development (i.e. information booklets about Wairarapa available for businesses).</p> <p>Requests Council ensure development and growth does not become a burden to business that they seek alternative locations outside the region.</p>	Council were supportive of local economic development. Any initiatives would be undertaken within existing budgets.
104c	Wairarapa Chamber of Commerce	Part 3 - General: Concerned about rates increases for industrial/commercial businesses on top of other increases businesses have to cover.	Noted, rates increases are kept to a minimum
104d	Wairarapa Chamber of Commerce	<p>Part 3 – Land Transport: Would like to see transport links improved.</p> <p>Supports the proposal to carry out 2km of seal extension.</p>	The submitter be advised that 2km of road sealing for the 14/15 year is to be retained in the budget.
104e	Wairarapa Chamber of Commerce	Part 3 – E, C & C Development: Requests that the Wairarapa Councils work together to encourage Council funded community organisations not to work in silos and for these organisations to collaborate and not duplicate work.	The submitter be advised that the submission be passed to the Shared Services Committee as it is a cross boundary matter.
104f	Wairarapa Chamber of Commerce	Part 3 – E, C & C Development: Requests that Council allow growth and economic wellbeing through ensuring closer relationships with the business community, greater	Noted and happy to discuss initiatives with WCOC.

104g	Wairarapa Chamber of Commerce	Part 3 – E, C & C Development: Requests that \$60,000 be placed in an economic development fund that can be accessed by organisations to complete agreed projects on economic development.	That on 4 June 2014 Council agreed in principle to the formation of WREDA and as part of that agreement Council requested that consideration was given to allocating at least 50% of the Wairarapa rate take for economic development for Wairarapa initiatives.
104h	Wairarapa Chamber of Commerce	Part 3 – E, C & C Development: Requests a meeting with Crs to ensure input into Wairarapa Business Forum -Draft Economic Development Strategy	That submitter be advised that they are invited to initiate a meeting with Councillors so input can be provided into Wairarapa Business Forum -Draft Economic Development Strategy
105	Cobblestones Museum	Part 3 - E, C & C Development: Requests Council continues to support Cobblestones Museum with the rates remission.	The submitter be advised that \$10,000 has been allocated in the 14/15 year (includes the amount for rates remission). <i>From 13/14 AP: An additional grant of \$20,000 is to be given split over the 13/14 and 14/15 year, and given on the condition that the project goes ahead</i>
106a	Sarah and Phillip Percy	Part 3 – Land Transport: Supports Council's goals and principle objectives in Section 3 – particularly for footpaths. Suggests amended wording for section 4 introduction to "Footpaths and pedestrian crossing points are established and kept in a safe and useable condition to separate pedestrians from other road users and provide foot access to properties and community facilities such as schools."	That the AP wording is not changed as suggested. Comments will be considered when preparing the next footpath plan, which will be consulted with community boards.
106b	Sarah and Phillip Percy	Part 3 – Land Transport: Requests an additional bullet point "All urban streets within two blocks of Mba School have a footpath on at least one side and safe street crossing points"	That the AP wording is not changed as suggested. Comments will be considered when preparing the next footpath plan, which will be consulted with community boards.
106c	Sarah and Phillip Percy	Part 3 – Land Transport: Requests an additional performance indicator saying 'footpaths and safe crossing points on all streets within two blocks of primary schools' with a 100% performance target from the 2014/15 year onwards.	That the current performance targets will not be altered. Comments will be considered when preparing the next footpath plan, which will be consulted with community boards.
106d	Sarah and Phillip Percy	Part 3 – Land Transport: Requests additional budget allocated to achieve the above changes and to provide a	That there will be no new footpaths in the 14/15 year and that the budget for new footpaths is diverted into footpath

The existing footpath plan will be retained for the 14/15 year, however a maintenance plan will be developed with work commencing in the areas that need repairs the most. A quote for a lime track down Oxford Street is to be sought.
106e	Sarah and Phillip Percy	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
107	Wendy Rozenberg	Part 3 – Amenities: Requests toilets be placed at the top of the Rimutaka Hill	The submitter be advised that the submission is noted and that Council does not own this land and is not in a position to support the submission.
108a	Marc Van De Loo	Part 3 – Resource Management: Submission on the Featherston Town Centre. Requests answers to a number of questions from a District Plan perspective	The submitter be advised of the decision of the 4 June council meeting
108b	Marc Van De Loo	Part 3 – Resource Management: Provides 3 options for the development of the Featherston Town Centre development.	As above.
108c	Marc Van De Loo	Part 3 – Resource Management: Requests Council delay its decision on a permanent location for the Menz Shed and a town square. Asks that the whole of the area which includes Fitzherbert St and Clifford Square be considered.	As above.
109a	Bruce Farley	Part 3 – Amenities: Greytown Skatepark - Suggests that Cotter/Pierce Street is an inappropriate location for any youth facility. Suggests development of a skatepark is in public view and conveniently located (preferably next to other busy public facilities) Suggests a temporary modular facility be provided in a short term location with a view to moving to an ideal spot in the future. Advises Lions would support the right project financially.	Council will consider any youth initiatives put forward by community groups or the GCB and as yet there have been no proposals presented.
109b	Bruce Farley	Part 3 – Resource Management: Requests a structured subdivision approach for Greytown development and future development is provided for.	That Council officers advise Mr Farley that funding has been allocated to enable the development of a structure plan for new residential development areas in Greytown and that this work should commence prior to the end of 14/15 year.
110a	Emma McCleary	Part 3 – Amenities: Does not support the proposed plan for the Martinborough Town Hall/Community Centre	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.

Sub. No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	COUNCIL DECISION
110b	Emma McCleary	Part 3 – Land Transport: Supports the proposed cycleway project.	The submitter be advised that the submission was considered and due to general support for the project the cycle trail will be developed as proposed.
110c	Emma McCleary	Part 3 – Water Supply: Supports the proposed expenditure on improving the water supply to the three main towns.	The submitter be advised that the submission is noted and the budget for water supply is as proposed.
111a	Liam Knight	Part 3 – Governance: Does not agree with the extra \$50k budgeted operational expenditure over the predicted LTP budget (pg 25)	The submitter be advised that the submission is noted and advise that \$20K of this increase could not be avoided due to the Greytown by-election and \$19K is due to the depreciation charge for a new vehicle.
111b	Liam Knight	Part 3 – Waste Water: Does not agree with the performance metrics. Believes aspirations should be higher over a 10 year period from 2005.	The submitter be advised that the submission is noted and the capital flows are based around ratepayer affordability. The aspirations are for 100% out of water, constrained by funding availability.
112	Robert Carter	Part 3 – Amenities: Does not support the proposed plan for the Martinborough Town Hall/Community Centre. Supports \$900k for earthquake strengthening only	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
113a	Lee Carter	Part 3 – Amenities: Does not support the proposed plan for the Martinborough Town Hall/Community Centre. Supports \$900k for earthquake strengthening only	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
113b	Lee Carter	Part 3 – Amenities: Supports the work on the Anzac Hall for the 2016 anniversary. Requests that the Hall is painted and the walkways around the outside are resealed. Requests that the toilets are refurbished in Kiwi Hall	The submitter be advised that the submission is noted and that significant work is planned to be completed prior to the centenary.
113c	Lee Carter	Part 3 – Amenities: Supports the new cemetery development at Featherston	The submitter be advised that the submission is noted and will be considered when making the decision on the cemetery development project.
113d	Lee Carter	Part 3 – Amenities: Supports the proposed cycleway project.	The submitter be advised that the submission was considered and due to general support for the project the cycle trail will be developed as proposed.
113e	Lee Carter	Part 3 – Land Transport: Requests a concrete footpath on the grass area of walkway to the station on Johnstone Street between Fox and Bell Street. Requests that 2 street lights are installed along the path.	The submitter be advised that the submission is noted and that a hard surface footpath has been installed. The street lighting request will be considered within existing budgets.
114	Margaret Cole	Part 3 – Solid Waste Management: Requests that the solid waste management contract be altered to allow a skip within the gated area of the Greytown Transfer Station for use by locals with no rubbish collection (who purchase suitable bags).	The submitter be advised that the submission is noted and it is not intended to provide a skip at each transfer station due to the significant increased cost of managing this process.

116b	Martinborough Camping	Part 3 – Governance: Support the continued development of shared services where cost savings can be achieved without prejudice to SW residents.	The submitter be advised that the submission is noted and that there is willingness by the three TA’s to continue to explore ways to work together.
116c	Martinborough Camping	Part 3 – Governance: Support the on-going investigation and research into sustainable irrigation projects in the Wairarapa.	The submitter be advised that the submission is noted and that GWRC are managing this process, and that this submission will be passed on to GWRC.
116d	Martinborough Camping	Part 3 – E, C & C Development: Asks what can be done to roll out UFB within the urban boundary or have wireless options explored.	That a letter is written to political candidates asking how they plan on progressing this issue for the South Wairarapa. Mayor Staples/officers to work with the community to ensure a unified approach.
116e	Martinborough Camping	Part 3 – E, C & C Development: Support the funding of Destination Wairarapa.	The submitter be advised that Destination Wairarapa will continue to receive funding for the 2014/2015 year.
116f	Martinborough Camping	Part 3 – E, C & C Development: Appreciate ongoing Council support that Council provides for events.	Noted.
116g	Martinborough Camping	Part 3 – Amenities: Requests that Considine Park be added to the list of Mba public amenities that are owned and maintained by Council.	The Annual Plan will be updated.
116h	Martinborough Camping	Part 3 – Amenities: Request that Council arrange for hedge outside the Mba pool be trimmed and added to the schedule to be checked annually. Request that the notable trees on the holiday park continue to be checked annually by a qualified arborist.	Council officers are to arrange for the hedge outside the MBA Pool to be trimmed as routine works. Council officers will continue to arrange for an arborist to check notable trees in the holiday park annually.
116i	Martinborough Camping	Part 3 – Amenities: Requests that two mature pine trees on Considine Park be removed as per the Development Plan.	That Council do not oppose the felling of the Pine Trees in the Holiday Park. That the MCB be tasked with liaising with the Considine Park User Group to gain approval for the felling of the trees and that after the necessary consultation with stakeholders the decision on felling the trees be made by the MCB.
116j	Martinborough Camping	Part 3 – Amenities: Support Council’s approach to coastal camping and would like to continue to be consulted on changes to freedom camping rules and facilities wherever possible.	The submitter be advised that the submission is noted and that public consultation will continue on freedom camping rules if changes are necessary.
116k	Martinborough Camping	Part 3 – Amenities: Supports the proposed cycleway project.	The submitter be advised that the submission was considered and due to general support for the project the cycle trail will be developed as proposed.

116l	Martinborough Camping	Part 3 – Land Transport: Request that Council investigate all options for improving safety at the intersection of Kitchener and Princess Streets including the investigation of traffic islands with give way signs in the middle of the intersection.	Council officers are to investigate placement of a gazetted stop sign at the intersection of Kitchener and Princess. Council officers are to ensure that road markings meet safety standards.
116m	Martinborough Camping	Part 3 – E, C & C Development: Request that Council work to reinstate a bus service between Featherston and Martinborough.	The submitter to be advised that rail and bus services are advocated through the Regional Transport Plan. Council supports improved public transport. The submission will be passed on to GWRC who manage these services.
116n	Martinborough Camping	Part 3 – Land Transport: Request that Council allocate additional funds to footpath repairs and renewals to improve the quality and safety of the footpath network. Note repairs are needed on Venice Street between Princess and Broadway.	That there will be no new footpaths in the 14/15 year and that the budget for new footpaths is diverted into footpath maintenance. The existing footpath plan will be retained for the 14/15 year, however a maintenance plan will be developed with work commencing in the areas that need repairs the most.
117a	Emily Greenberg	Part 3 – Amenities: Does not support the proposed plan for the Martinborough Town Hall/Community Centre. Accepts that Council has pledged \$900k for earthquake strengthening only	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
117b	Emily Greenberg	Part 3 – General: Requests that the Annual Plan highlight (on pg 5) that there is an anticipated need to borrow a significant amount of money to upgrade Council's core service of wastewater collection and treatment and that this is a change from \$17M (in the 12/22 LTP) to \$34M.	Council officers to address the increase in the advisement letter.
117c	Emily Greenberg	Part 3 – Amenities: Supports the proposed cycleway project.	The submitter be advised that the submission was considered and due to general support for the project the cycle trail will be developed as proposed.
117d	Emily Greenberg	Part 3 – Resource Management: Requests \$30k be allocated to ensure an experienced professional is made available to plan and guide the consultation on the Featherston Town Centre.	No budget change. The submitter be advised of the Council decision made on 4 June relating to the Featherston Town Centre.
118	Helen Hickson, MBA Toy Library	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
119	William Ryle	Part 3 – Amenities: Does not support the proposed plan for the Martinborough Town Hall/Community Centre, specifically the money spent on earthquake strengthening of the Hall. Would rather see a replacement building built.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.

		Suggest money is instead invested in Featherston on the vacant lot on Fitzherbert Street.	Note that if the funds are not used for the town hall project this does not actually make any funds available and this would be a separate funding decision
120	Nifo Ili	Part 3 – Amenities: Suggests that the questions should not be what Featherston wants on the vacant site but what is the best place in town for what we want to see. Suggests 2000 square metres of empty commercial zoned land in its main street is too much.	No budget change. The submitter be advised of the outcome of the 4 June meeting on this subject.
121a	Tim Beal (plus 6 Hart St residents)	Part 3 – Amenities: Supports the proposed cycleway project.	The submitter be advised that his submission was considered and due to general support for the project the cycle trail will be developed as proposed.
121b	Tim Beal (plus 6 Hart St residents)	Part 3 – Land Transport: Requests that the 70kmh speed limit is moved back up the hill to beyond the reserve on SH2 and then 50kmh from the reserve.	The submitter be advised that the submission is noted and that this area is a state highway and that the request will be passed on to NZTA at the next liaison meeting.
121c	Tim Beal (plus 6 Hart St residents)	Part 3 – Land Transport: Propose the above principle is applied to the Greytown approach also.	The submitter be advised that the submission is noted and that this area is a state highway and that the request will be passed on to NZTA at the next liaison meeting.
121d	Tim Beal (plus 6 Hart St residents)	Part 3 – Land Transport: Request that Council implement its policy of ensuring that all roads have at least one footpath and that this is kept clear of obstruction.	The submitter be advised that the submission is noted and that this is already current council policy, noting that footpath repair will be the focus for the 14/15 year.
121e	Tim Beal (plus 6 Hart St residents)	Part 3 – Public Protection: Suggest the problem of dog litter could be reduced by providing more dog poo stands with bags.	That Mr Beal (and 6 others) be written to advising that Council already provides bins and bags in accord with its Dog Control Policy at appropriate locations and will not be providing these facilities to other areas due to cost.
121f	Tim Beal (plus 6 Hart St residents)	Part 3 – Storm Water Drainage: Expresses concern at flood erosion from Abbots Creek to adjacent properties (7 Hart St).	The submitter be advised that this is currently being investigated.
121g	Tim Beal (plus 6 Hart St residents)	Part 3 – Storm Water Drainage: Expresses safety concern at uncovered storm water drains along Brandon Street	The submitter be advised that covering drains presents major flooding issues and greater pipe capacity required over the whole network. Council officers are to do a routine check of all drains to ensure they are clear of rubbish.
121h	Tim Beal (plus 6 Hart St residents)	Part 3 – Public Protection: Notes encouraging signs of rehabilitation of Featherston town centre. Expresses concern about derelict building in the main street.	The submitter be advised of the availability of officer reports to Council and be forwarded a copy of the Rotorua District Council's report on the subject.
122a	Toi Wairarapa	Part 3 – E, C & C Development: Request funding for 1.5TFE as per the ACH strategy funded on a per capita basis and jointly agreed between the Wairarapa councils.	To grant Toi Wairarapa in the 14/15 year at \$1 per capita, being made up of a grant of \$4,528 allocated in the 14/15 year and that the \$5,000 allocated in the 13/14 year for a

122b	Toi Wairarapa	Part 3 – E, C & C Development: Request that the review of the strategy be stopped and that Toi Wairarapa undertake a sector-wide survey instead.	Council agree with the recommended approach.
122c	Toi Wairarapa	Part 3 – E, C & C Development: Request that the \$5,000 granted in 13/14 AP for a strategy review contributes to the per capita contribution sought to form part of the 14/15 grant.	As above.
122d	Toi Wairarapa	Part 3 – E, C & C Development: Requests \$9,282 to meet the minimum proposed per capita rate of \$1.50 (\$14,292 less \$5k allocated for strategy 13/14 not utilised).	As above.
123a	Elizabeth Stevens	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
123b	Elizabeth Stevens	Part 3 – Amenities: Supports the proposed cycleway project.	The submitter be advised that the submission was considered and due to general support for the project the cycle trail will be developed as proposed.
124	Catherine Mitchell	Part 3 – Land Transport: Requests that Te Muna Road is sealed. Notes road widening and additional signage haven't been undertaken as advised following 13/14 AP. Includes 13/14 submission and other supporting information.	The submitter be advised that 2km of road sealing for the 14/15 year is to be retained in the budget. The 'exact' length of road sealing is dependent on road width and termination at an appropriate point. 1700 metres of Te Muna Road and 300 metres of Fraters Road is to be sealed using the newly budgeted funds. An additional 1000 metres of Fraters Road is to be sealed from the subdivision reserves fund. The total length of new seal for the 2014/2015 year will amount to approximately 3kms. These roads were justified using the criteria in the officer's report to Council in December 2013. Although Council agree with the criteria used, the application was not consistent and a taskforce was to be setup to compile an agreed priority list for future years.
125a	Rupert Watson	Part 3 – Amenities: Believes the Communication of the MTH projection has not been done well and that it should be region wide not just confined to MBA residents.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
125b	Rupert Watson	Part 3 – Amenities: Proposes Crs, CB's and interest groups work together to identify how each town can be helped with a mixture of local and regional resources to achieve gains locally that contribute regionally to the agreed strategic goal of	The submitter be advised that regional issues are not able to be funded by Local Authorities, GWRC is the only regional body with the power to rate across territorial local authority boundaries. 126	Kiri and James Elworthy	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
127a	FCB	Part 3 – Amenities: Requests CCTV/Security cameras be budgeted for placement in Featherston.	No budget change. Council officers in conjunction with Council are to prioritise the areas that need protecting with priority given to Council property. Council officers are to determine whether second hand cameras, able to be refurbished, are available for purchase. Council officers are to liaise with Mr P March regarding a possible camera for refurbishment. Council noted that a full needs analysis report for security surveillance systems in the South Wairarapa was still to be carried out by officers before a decision on purchasing new cameras could be made.
127b	FCB	Part 3 – Amenities: Requests Council retain the Town Centre funds in its budget.	No budget change. The submitter be advised of the Council decision made on 4 June relating to the Featherston Town Centre.
127c	FCB	Part 3 – Amenities: Requests Council not take any immediate action over the proposed Featherston Town Square until more public consultation takes place and the FCB has had an opportunity to evaluate feedback from the consultation.	As above.
127d	FCB	Part 3 – Amenities: Supports the work planned for the Anzac Hall for the 2016 anniversary. Requests that the Hall is painted and the walkways around the outside are resealed. Requests general beautifying of the Hall internally and externally.	Planning for these and other works is under way, with the intention of completing the work before the Hall's centenary in 2016. A funding application will be made to WW100 this year. Council officers to investigate installation of a gas hot water system for cost effectiveness reasons.
128	Wairarapa Healthy Homes	Part 3 – E, C & C Development: Requests continued funding of \$12,000 for the 14/15 year.	To grant Wairarapa Healthy Homes \$6,000 in the 14/15 year. Council noted that this was in line with what Carterton District Council were granting and receiving; in terms of number of houses insulated.
129	Pam Colenso, MBA Community	Part 3 – Amenities: Requests CCTV/Security cameras be budgeted for placement in Martinborough (Kitchener Street,	No budget change. Council officers in conjunction with Council are to

Council officers are to determine whether second hand cameras, able to be refurbished, are available for purchase. Council officers are to liaise with Mr P March regarding a possible camera for refurbishment. Council noted that a full needs analysis report for security surveillance systems in the South Wairarapa was still to be carried out by officers before a decision on purchasing new cameras could be made.
130	Pam and Ted Colenso	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
131	Enviroschools	Part 3 – E, C & C Development: Requests \$10,500 to be able to advance a stronger, more progressive regional approach to the Enviroschools Programme in the Wgtn region. Thanks Council for previous support.	To grant Enviroschools \$9,000 in the 14/15 year.
132a	Tom Halliburton	Part 3 – Amenities: Supports the proposed cycleway project.	The submitter be advised that his submission was considered and due to general support for the project the cycle trail will be developed as proposed.
132b	Tom Halliburton	Part 3 – Amenities: Requests that information or an info booth is located near the junction with Western Lake Rd and SH2 to give cycle tourists info on the road and the Rimutaka Incline Rail Trail.	The suggestion of an information booth can be considered as part of the Cross Creek to Featherston cycleway project.
132c	Tom Halliburton	Part 3 – Land Transport: Notes that Hinakura should have re-built with a wider verge for cyclist's safety. Requests remedial work on Hinakura Rd for safety purposes. Requests the slope on the side of drainage ditch be reduced to enable a wider verge.	The submitter be advised that works done to standard design. Understand the issues with cyclists using the roadway but works not recommended due to cost.
133a	Philippa Broom	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre. Does not agree with the proposed development of the adjacent park facility due to lack of space and because having park facilities next to Pukemanu and health centre is not appropriate.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made. That the submitter be advised that the request is noted and will be passed on to the Martinborough Town Hall Working Party Group.
133b	Philippa Broom	Part 3 – Amenities: Requests Council consider creating an active community facility centre which is separate from our cultural community facility centre in the Square possibly located in Considine Park.	The submitter be advised that the submission is noted and will be considered when making the decision on the Martinborough town hall project.

134a	Sharon van de Weyer	Part 3 – Resource Management: Expresses frustration at lack of progress and vision for Featherston and of the derelict buildings and requests something be added to the plan to address these issues.	The submitter be advised of the availability of officer reports to Council and be forwarded a copy of the Rotorua District Council’s report on the subject.
134b	Sharon van de Weyer	Part 3 – Amenities: Does not support the development of another park in the centre of Featherston when other parks need upgrading.	No budget change. The submitter be advised of the Council decision made on 4 June relating to the Featherston Town Centre.
134c	Sharon van de Weyer	Part 3 – Amenities: Does not support the proposed Martinborough Town Hall/Community Centre due to the large amount of money required and believes it better for it to contribute to waste water management	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
134c	Sharon van de Weyer	Part 3 – General: Would like transparency on what Council has spent on the 3 towns in the last 5-10 years.	The submitter be advised that most operational budgets are district wide and difficult to split dollar for dollar by town. Contacts are generally lump sum – pay a set fee for a combined output across the three towns.
135a	Featherston Community Centre	Part 3 – E, C & C Development: Suggests that the Fstn Community Centre helps Council achieve local public services as described on pg. 32. Acknowledges Council contribution towards building consent fee and rates relief.	Noted.
135b	Featherston Community Centre	Part 3 – E, C & C Development: Requests that the AP acknowledge support to the Centre in Section 5, projects for 14/15 on pg. 32 as follows: “Continued support to the facilities of the FCC”	The submitter be advised that the Annual Plan will not be altered, grant funding for FCC is considered alongside other requests.
135c	Featherston Community Centre	Part 3 – E, C & C Development: Requests financial support to recognise the Centre’s contribution to the community. Such support could be in form of a contribution towards building maintenance and operational costs.	The submitter be advised that rates relief is provided and due to other priority areas in 14/15 a grant was unable to be given.
135d	Featherston Community Centre	Part 3 – General: Requests Council meet with the FCC Board to explore ways to strengthen the relationship and meet the needs of the community.	That Council officers are available to meet with the Featherston Community Centre on their invitation.
136	Lia Wood	Part 3 – Amenities: Supports the proposed plan for the Martinborough Town Hall/Community Centre.	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
137a	Greytown Swimming Club	Part 3 – Amenities: Supports the proposed capital works planned for the Greytown Memorial Baths. 		capital commitment but the need to 'get it right'. Support from Sport NZ also received (see attachment to submission)	
137b	Greytown Swimming Club	Part 3 – Amenities: Requests the installation of a concrete block false wall and then backfilled to shorten the pool to 25m. Notes that by fibreglassing the pool at 30.4m Council would be investing in a facility that is already failing to meet the needs of its frequent users. It is a 1 in 15 year opportunity to get it right at little if any capital cost while reducing annual operating costs.	No budget change. The submitter be advised that the Greytown Pool is not to be fibreglassed without being shortened. That Council officers are to confirm the cost for shortening the Greytown Pool. That Council officers are to obtain a quote for fibreglassing the Greytown Pool at 25m, noting that any budget savings can be applied to shortening. That Council officers are to work with the Greytown Swimming Club and the community to investigate ways of financing the pool shortening in the 14/15 year. If the Greytown Pool can't be shortened in the 14/15 financial year due to insufficient funds then the request can be considered by Council in the 15/16 financial year. Any pool maintenance/solution should not prevent the Greytown Pool from opening at the usual time in 2014.
137c	Greytown Swimming Club	Part 3 – Amenities: Requests the pool temperature of Gtn Pool be raised and suggests pool covers be purchased. Offers support to Council if Council agree to reduce the pool length to 25m by: 1. Investing in diving blocks for each lane. 2. Working with Council to help secure funding for covers and heating options via Gtn Trustlands Trust.	Council officers are to obtain pricing for pool covers and heating options. The Club's willingness to work with Council and to invest in diving blocks and seek funding from additional sources is noted.
137d	Greytown Swimming Club	Part 3 – Amenities: Suggests amenities such as a drinking fountain, vending machine and a permanent gas BBQ are purchased for the Pool to make it attractive to families.	Council officer to obtain pricing for additional amenities for Greytown Pool.
138a	Greytown District Trust Lands	Part 3 – E, C & C Development: Generally supports initiatives aimed at enhancing economic development including DW funding. Expresses concern that SW appears to be reliant on the Wgtn Regional Strategy and be a follower rather than a leader.	The submitter be advised that SWDC does not contribute to the WRS, and in general terms has very little funds to direct into business development. It is noted that Council have agreed to an Annual Plan that will have a significant number of initiatives that will promote business development. Historically economic development had been undertaken by Grow Wellington and other agencies, however there has been limited or no visible benefit seen for the considerable amount that GWRC collect in rates which is why SWDC are investing directly into projects that will

138b	Greytown District Trust Lands	<p>Part 3 – E, C & C Development: Notes Council’s objective to “create a climate for and give encouragement to organisations and individuals to take initiatives in the stimulation of economic growth, tourism and employment opportunities in the district”.</p> <p>Trust Lands supports this ideal but suggests Council must have a business friendly stance.</p> <p>Trustees happy to meet Crs and management to discuss opportunities.</p>	<p>Noted.</p> <p>The submitter be advised that officers have developed a “one stop shop” to progress high value or complex applications in an efficient manner.</p>
138c	Greytown District Trust Lands	<p>Part 3 – General: Interested in opportunities for collaboration and cooperation in the development of Council’s LTP and Trust Lands review of its future directions document.</p>	<p>Noted.</p> <p>The submitter be advised that Council would welcome expressions of interest from GDTL for collaboration opportunities.</p>
138d	Greytown District Trust Lands	<p>Part 3 – General: Interested in discussing potential partnerships opportunities with SWDC as consistent with current mandate.</p>	As above.
139a	Jean McDowall	<p>Part 3 – E, C & C Development: Supports the overall goals, and notes that part of promoting SW as a good place to live includes making Fstn an attractive destination.</p>	Noted.
139b	Jean McDowall	<p>Part 3 – Amenities: Supports the strengthening of the Martinborough Town Hall/Community Centre.</p> <p>Would like to see some of the refurbishment funds directed into the planning of Featherston Town Centre.</p>	<p>The submitter be advised that the submission is noted and was taken into consideration when the decision was made.</p> <p>Note that if the funds are not used for the town hall project this does not actually make any funds available and this would be a separate funding decision</p>
139c	Jean McDowall	<p>Part 3 – Resource Management: Requests that David Engwicht be hired as an expert to advise on Fstn Town Centre development</p>	<p>No budget change.</p> <p>The submitter be advised that until a brief is designed and agreed, it would be premature to be appointing particular consultants.</p>
139d	Jean McDowall	<p>Part 3 – Public Protection: Requests a bylaw is introduced to prevent owners from letting buildings in the centre of town become run down.</p>	<p>The submitter be advised of the availability of officer reports to Council and be forwarded a copy of the Rotorua District Council’s report on the subject.</p>
140a	Robyn Ramsden	<p>Part 3 – Amenities: Proposes budget for a Fstn Events Centre be added to the Annual Plan.</p> <p>Proposes that the community is consulted on the empty lot on the main street to a view to building an Events Centre.</p>	<p>No budget change.</p> <p>The submitter be advised of the Council decision made on 4 June relating to the Featherston Town Centre.</p>
140b	Robyn Ramsden	<p>Part 3 – Amenities: Requests landscaping the four corners of Lyon Street, Fitzherbert Street intersections into one theme.</p>	<p>The submitter be advised that some changes are planned during this season’s winter planting, and ongoing work is</p>

			to ensure a more coherent theme through the gardens in this area.
141	Derek Wilson	Part 3 – Amenities: Does not support the proposal of the Martinborough Town Hall/Community Centre, specifically the selling of Council land, more specifically Greytown Land	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
142a	Federated Farmers	General: Suggests that the rates table does not show the true rates burden to high value properties.	The submitter be advised that there are a limited number of properties over \$4M that are analysed in the rates summaries.
142b	Federated Farmers	General: Recommend the use of UAGC funding is detailed in the significant activity statements so rate payers can see where this funding stream is being spent.	The submitter be advised that the areas covered by the uagc and uac are detailed in the rates assessment (part B) sent out with the first rates instalment to all ratepayers.
142d	Federated Farmers	General: Recommends that Council include a breakdown of rates revenue for commercial, urban and rural properties by uniform charges, service charges, land value rates, capital value rates and targeted rates to demonstrate the proportion of each rating stream to the total rate take and to improve transparency.	The submitter be advised that there would need to be a significant amount of additional analysis to provide this information and the benefits would appear to be limited.
142d	Federated Farmers	Part 3 – Governance: Notes an increase in \$19k in depreciation above the \$4k forecast in LTP, question the reason and whether it is an appropriate source of funding for these activities.	The submitter be advised that this variance relates solely to the purchase of a new vehicle that was forecast to be purchased in a prior year. The previous vehicle was fully depreciated.
142e	Federated Farmers	Part 3 – E, C & C Development: Query whether the \$120k is strictly for Destination Wairarapa or also includes contributions to the Wgtn Regional Strategy. Note DW is funded by general rates and considers an increase use of uniform charges and targeted rates for the districts tourism business is more appropriate.	The submitter be advised that \$120K is strictly for Destination Wairarapa, SWDC does not contribute to Wellington Regional Strategy. Funding policy is likely to be reviewed as part of the 2015/25 LTP – note that the uniform charge is nearing the 30% cap.
142f	Federated Farmers	Part 3 – Resource Management: Query a 7% decrease in operating costs yet only a 1.1% reduction in rates requirement.	That Council write and advise Federated Farmers of the reasons for the difference in the level of cost reduction and the rating requirement.
142g	Federated Farmers	Part 3 – Resource Management: Encourage Council to engage Fed Farmers during the process of assessing and providing advice to the Council on the new regional plan.	That Council write to Federated Farmers and advise of its willingness to work, where appropriate, together when formulating comment on the Draft Regional Plan.
142h	Federated Farmers	Part 3 – Amenities: Notes significant increases from LTP and request an explanation (swimming pools, libraries, community buildings and rental properties). Note there is significant expenditure, but views are divided amongst members and recommend Council consider the most	The submitter be advised that funding of Pools now reflect actual costs and correct standards e.g. x2 life guards. Libraries CAPEX has gone down. Council’s funding policy covers the equity issues with regards to the impact of rates and charges, this funding policy will likely be

		equitable ways to fund these projects.	reviewed as part of the 2015/25 LTP.
142i	Federated Farmers	Part 3 – Land Transport: Note the changes to the NZTA funding model and would be pleased to work with Council on getting a more equitable funding model and to assist Council with their review of the Road Asset Management Plan to minimize the impact of the changes on rural roads.	Noted; although NZTA are well through their funding review and there is limited real opportunity to effect change. All assistance in this key budget area is appreciated as this is an issue that will impact the rural sector. Council continues to lobby NZTA bearing in mind the significant rural component of the roading network.
142j	Federated Farmers	Part 3 – Land Transport: Question the use of reserve funding for seal extension and suggest repairing damage to existing roads would be the most prudent use of reserve funds. Queries whether the cost should rest so heavily on the rural community.	The submitter be advised that the submission was taken into account when making a decision on 2km of road seal and that 2km of road sealing for the 14/15 year is to be retained in the budget.
142	Federated Farmers	Part 3 – Land Transport: Express concern in the decrease of CAPEX from the forecast LTP levels for reseals and the potential decline in service levels for rural roads.	Noted. The submitter be advised that there is no plan to decrease service levels. Note the FAR Review and One Network Road Classification System.
142k	Federated Farmers	Part 3 – Solid Waste Management: Expresses concern the shift in rates income from projection in LTP. Target rates has decreased 51.6% while general rates increased 40.1%. Consider this service should be funded by targeted rates. Recommend the proportion of rates collected through the general and target rates for solid waste to more accurately reflect the beneficiaries of the service and align with LTP.	The submitter be advised that the shift in rates income is due to the cost savings in one area (mainly tonnage to landfill) and collection costs being lower as a result of the new soil waste contract. Costs were uncertain at the time of preparing the LTP.
143	Diana and Ian Cresswell	Part 3 – Amenities: Supports the strengthening of the Martinborough Town Hall/Community Centre but: <ol style="list-style-type: none"> 1. Does not support the sale of Huangarua Park. 2. Would like a more gracious add-on, and requests a choice be presented. 3. Requests that use of land around the Square be reviewed to see if the spaces can be better utilised for MTHCC purposes e.g. Fire Service land. 4. Concerned at some matters that affect the playground. 	The submitter be advised that the submission is noted and was taken into consideration when the decision was made. That the submitter be advised that the request is noted and will be passed on to the Martinborough Town Hall Working Party Group.
144	Orchestra Wellington	Part 3 – E, C & C Development: Requests \$10,000 for 14/15 to support its first Subscription Series Concert of 2015.	The submitter be advised that Council is unable to provide financial assistance due to budget constraints.
145	Celia Jenkins	Part 3 – Amenities: Supports the Martinborough Town Hall/Community Centre proposal	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
146 (Late)	Campbell Moon	Part 3 – Amenities: Does not support the Martinborough Town Hall/Community Centre proposal	The submitter be advised that the submission is noted and was taken into consideration when the decision was

147a	Sue Fox	<p>Part 3 – Amenities: Does not support the Martinborough Town Hall/Community Centre proposal.</p> <ol style="list-style-type: none"> 1. Due to project risk 2. Disproportionate to Council income and involves sale of remaining Mba assets 3. No mandate; consultation in Oct 11 offered 4 options none of which exceeded 2.4m. 4. Other solutions are probably available; public/private partnership/building lease, sale with agreement to lease. 5. Greater need in Fstn 6. Spending in Fstn benefits all 3 towns. 	<p>The submitter be advised that the submission is noted and was taken into consideration when the decision was made.</p> <p>Note that if the funds are not used for the town hall project this does not actually make any funds available and this would be a separate funding decision</p>

148	Greytown Community Heritage Trust	<p>Part 3 – Amenities: Expresses concern at the deteriorating state of the old library building and asks that it be maintained. Requests that the old library building is maintained. Does not express a view on the stated use proposal.</p>	<p>The submitter be advised that a decision on the future use of the building was deferred until financial analysis of the two options (investment property vs community based building) has been provided by Council officers and required maintenance costs are known.</p> <p>The submitter be advised that planning for exterior maintenance is under way with a view to getting work started in 14/15.</p>
149	John Terris	<p>Part 3 – Land Transport: Requests a footpath on Wallace Street, Fstn, specifically between No's 47-53, sites safety reasons.</p>	<p>That there will be no new footpaths in the 14/15 year and that the budget for new footpaths is diverted into footpath maintenance. The existing footpath plan will be retained for the 14/15 year, however a maintenance plan will be developed with work commencing in the areas that need repairs the most.</p> <p>That when a footpath is provided for Wallace Street it will be linked to the existing network.</p> <p>That Council officers review the road shoulder on Wallace Street to determine whether it requires levelling off.</p>
150	Sport Wellington	<p>Part 3 – E, C & C Development: Requests \$7,500 to continue Sport Wellington services in the Wairarapa.</p>	<p>To grant Sport Wellington \$5,000 in the 14/15 year to continue Sport Wellington services in the Wairarapa.</p>

151	Aratoi	Part 3 – E, C & C Development: Request continued funding of \$25,000 for the 14/15 year. Notes alignment to Council’s objections and goals under this significant activity and to Work with Maori.	To grant Aratoi \$25,000 in the 14/15 year for continued services.
152a	Southern Wairarapa Safer Community Council	Part 3 – E, C & C Development: Request Council apply for accreditation to become a Social Housing Provider.	That the submitter be advised that Council were unable to assist with development or participate in a social housing strategy. Council would continue to provide social housing in the form of pensioner flats.
152b	Southern Wairarapa Safer Community Council	Part 3 – E, C & C Development: Requests that Council support the implementation of a national warrant of fitness for rental accommodation.	As above.
152c	Southern Wairarapa Safer Community Council	Part 3 – E, C & C Development: Requests consideration be given to local policy regarding WoF for our local rental housing stock.	As above.
152d	Southern Wairarapa Safer Community Council	Part 3 – E, C & C Development: Requests consideration be given to Social Housing improvement to become part of the Councils Combined Annual Plan.	As above.
153a	EnergySmart	Part 3 – E, C & C Development: Requests consideration be given for EnergySmart to oversee a local Homestar programme in conjunction with NZ Green Building Council. This would keep this project in the local Wairarapa area and provide employment.	The submitter be advised that Council would not get involved in endorsing specific programmes.
153b	EnergySmart	Part 3 – E, C & C Development: Consider a Homestar service could be aligned with Councils to also involve earthquake, ACC and fire safety checks.	As above.
154a	Southern Wairarapa Safer Community Council	Part 3 – E, C & C Development: Requests \$10,000 for the SWSCC Life to the MAX programme.	That SWSCC be granted \$10,000 in the 14/15 year for Life to the MAX programme.
154b	Southern Wairarapa Safer Community Council	Part 3 – E, C & C Development: Requests \$5,000 as partial funding for a Safer Wairarapa Coordinator (funds also requested from MDC and CDC)	That SWSCC be granted \$5,000 in the 14/15 year for partial funding of a Safer Wairarapa Coordinator.
155a	Greytown School	Part 3 – Amenities: Notes agreement from stakeholder mtg on 23 April for the following so the Gtn Pool functions	No budget change. The submitter be advised that the Greytown Pool is not to

That Council officers are to confirm the cost for shortening the Greytown Pool. That Council officers are to obtain a quote for fibreglassing the Greytown Pool at 25m, noting that any budget savings can be applied to shortening. That Council officers are to work with the Greytown Swimming Club and the community to investigate ways of financing the pool shortening in the 14/15 year. If the Greytown Pool can't be shortened in the 14/15 financial year due to insufficient funds then the request can be considered by Council in the 15/16 financial year. Any pool maintenance/solution should not prevent the Greytown Pool from opening at the usual time in 2014.
155b	Greytown School	Part 3 – Amenities: Need for the School to understand likely costs for pool use each year so budgets can be managed and parents informed early if some costs need to be transferred.	Noted.
155c	Greytown School	Part 3 – Amenities: Requests that any changes to the Gtn Pool need to be considered with the long term goal of keeping our young people confident and safe around the water.	Noted.
156	Diana Broadhead	Part 3 – Amenities: Would like to preserve the shell of the Town Hall. Suggests some building alterations for consideration	The submitter be advised that the submission is noted and was taken into consideration when the decision was made. That the submitter be advised that her request is noted and will be passed on to the Martinborough Town Hall Working Party Group.
157	Penny Barnett	Part 3 – Amenities: Supports the Martinborough Town Hall/Community Centre project	The submitter be advised that the submission is noted and was taken into consideration when the decision was made.
