

South Wairarapa District Council  
Featherston Ward  
Electing 3 Councillors

---

**Dean DAVIES**

*My principal place of residence is in the Featherston Ward area.*

Having served two terms on Council I seek a third term as your voice around the Council Table. We don't know what the Local Government Commission will decide, whether it will be a Wellington Super City or a Wairarapa Unitary Authority we need someone with a level head, a strategic thinker and local government experience, I believe I have these attributes to ensure the people of Featherston and the South Wairarapa are represented fairly and honestly during this most important time of change.

Offering experience and a consistent voice in an ever changing world.
