Dear Colin

GARDEN OF REMEMBRANCE COVERED SEATING

On behalf of the Featherston Community Board I would like to thank you for the time you have spent project managing both donations of time and materials and the actual construction of the covered seating at the Featherston Garden of Remembrance.

In conjunction with donations from Davis Sawmilling Co. Ltd, Gray Brothers, Johnston Bros, the Featherston Lions and Lionesses, the initial donation of \$1500 from Chor Farmer, and Juken New Zealand Limited, we have been able to build a fantastic facility for the community to enjoy.

The structure was designed in keeping with the original camp accommodation barracks and in due course an information board, funded by a recent donation of \$1000 from Chor Farmer, will be placed inside the shelter outlining the history of the area.

I would personally like to say that I am very grateful for the way that you stepped in and organized everything with this project and the hours that you put in. thanks again and I hope we can work together on any future projects.

Yours sincerely
