6.1 NOTICE OF MOTION - CONSIDER THE GREYTOWN COMMUNITY BOARD SUBMISSION TO THE REPRESENTATION REVIEW.

File Number: n/a

I, Chair Greytown Community Board Louise Brown, give notice that at the next Meeting of Greytown Community Board to be held on 30 August 2024, I intend to move the following motion:

MOTION

1. That the Greytown Community Board receive the Notice of Motion on the submission to the Representation Review.
2. That the Greytown Community Board approve the submission to the Representation Review.

RATIONALE

Greytown Community Board wishes to file submissions for the current Representation Review on the point of the future of Community Boards. Submissions close on 8 September 2024. Members will be out of the country from 1 September 2024. For that reason, confirmation of filing the submissions must occur early.

There was a hope that the submissions could be finalised and circulated before today (Tue 27 Aug 2024) but due to a number of other unforeseen issues over the last few days there has been insufficient time to get the submissions collated and circulated to members. Therefore, seeking for an extraordinary meeting to be called to confirm the submissions to be received and submitted. The meeting allows additional time for the submissions to be finalised and reviewed by the Board. If it is confirmed that the submissions can be filed with a unanimous vote by email before this meeting, then the meeting may be cancelled but to be certain there is no issue with filing submissions for now seeking for the meeting to be called.

I commend this Notice of Motion to Greytown Community Board.
