

South Wairarapa District Council
Featherston Community Board
Electing 4 Board Members

Garry THOMAS

My principal place of residence is in the Featherston Community Board area.

I am a self employed Electrician and have lived in the Wairarapa all my life, the last 30 years in Featherston. I have been on the Featherston Community Board for three terms now, the last two as chairman and I believe that with the possible changes over the next term that we need experience to keep things going in the right direction.
