## HAVE YOUR SAY

SWDC is currently engaging with the Martinborough community, and anyone who is interested, to explore options to trial temporary changes to the northern edge of the Square as part of the Innovating Streets Programme, funded by Waka Kotahi NZ Transport Agency.

Innovating Streets is about getting councils and communities to try using a 'tactical urbanism' approach to make urban streets more people-friendly - see the website for more information <a href="https://www.nzta.govt.nz/roads-and-rail/innovating-streets/">https://www.nzta.govt.nz/roads-and-rail/innovating-streets/</a>

Feedback from the community is important to ensure the concept, design, site location and ideas are suitable for this space.

Please fill i	in the survey below, w	e look forward to	hearing your tho	oughts!	
* 1. How of	ten do you visit the gree	n park in Martinbo	rough Square as a	a destination?	
Daily	At least once a week	At least fortnightly	At least 3-4 times a week	At least 1-2 times a month	Less than 1-2- times a month
