

South Wairarapa District Council

Martinborough Ward

Electing 3 Councillors

Julie Ellen RIDDELL

My principal place of residence is not in the Martinborough Ward area.

I was raised in the Wairarapa and for the past 30 years my family have farmed in the South Wairarapa and Carterton District. I have always been involved in the local community from Pre School to School Committee, Wellington Education Board, JP Council and as a Marriage Celebrant. I have completed my second term as a Councillor and my priorities are to keep rates under control, keep improving infrastructure and services, support economic development in the rural sector, alongside preserving sustainable development that suits our community and makes our District special. I am a strong supporter of the Wairarapa Irrigation Scheme and Martinborough Town Hall. I will continue to be hard working Councillor for the South Wairarapa District.
