No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	LTP CHANGE	LTP DECISION
18	Greater Wellington Regional Council	<b>Part 3 – Transport:</b> Recommends upgrading the road between Cross Creek and Featherston for safety now the Rimutaka Rail Trail has been upgraded.		No budgetary change to LTP.  As per a previous Council resolution on cycle trails: <i>COUNCIL RESOLVED (DC2012/71) to support the proposed South Wairarapa cycle trails in principal, but decline to allocate money in the LTP 2012/22 to address any road safety considerations specific to cyclist's needs that implementing the proposed trails would require.</i>
18	Greater Wellington Regional Council	<b>Part 3 – Resource Management:</b> Recommends Council amend the LTP to specify actions, plans, strategies or resources allocated that address terrestrial biodiversity issues as per section 31 of the Resource Management Act.		No budgetary change to LTP.  The three Wairarapa councils in conjunction with GWRC conducted a Biodiversity project over 2 years that recently concluded that satisfied the section of the Act and requirements under the Regional Plan. The request has already been satisfied.
19	Masterton Motorplex Inc.	<b>Part 3 – E, C &amp; C Development:</b> Request a \$25,000 Council contribution for building a multiple use motorsport park facility adjacent to the Hood Aerodrome in Masterton.	To be itemised in the LTP.	Masterton Motorplex Inc. is to be granted a one-off contribution of \$5,000 to assist with the costs of developing the motorsport park facility adjacent to the Hood Aerodrome in Masterton.
20	Lee Carter	<b>Key Project - Martinborough Town Hall:</b> Requests Council put on hold the MBA Town Hall project until the economic climate has improved. Asks Council to publish statistics in the newspapers or the next rates newsletter giving an indication of the use of all SWDC town halls/centres.	Some change required to LTP .	No budgetary change to LTP.  Strengthening work would not commence on the Hall until the refurbishment plans had been agreed by the community and Council and the money required for refurbishments was in place or financial commitments were in place.  Investigate the use of a project manager to act as a liaison between community groups and council officers to facilitate development of an agreed refurbishment plan and achieve the initial milestones of the Town Hall upgrade project plan. The project manager will be funded up to \$5,000 by drawing on the strengthening funds.  Evidence from the Greytown Town Hall suggests that once the Martinborough Town Hall is refurbished usage will rise.

No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	LTP CHANGE	LTP DECISION
21	Wings Over Wairarapa Community Trust	<b>Regional Amenities Fund:</b> Does not support the proposed Regional Amenities Fund. Requests that in place of the regional fund Wairarapa councils consider directly funding events such as the airshow and requests \$5000 for the 12/13 event and similar funding annually thereafter.	To be itemised in LTP.	Wings Over Wairarapa Community Trust is to be granted a one-off grant of \$5,000 to assist with the costs of funding the airshow.  A decision on whether Council agrees to participate in the Regional Amenities Fund will be made on 27 June 2012.
22	Enviroschools Wellington Region - SW	<b>Part 3 – E, C &amp; C Development:</b> Thank Council for supporting the Enviroschools Programme and request \$9,000 per annum to run the Enviroschools Network in South Wairarapa. Enviroschools ask that if possible, funding is provided from a single source, however if that is not possible then ask that Council consider using the Waste Minimisation Levy to meet any shortfall.	To be itemised in LTP.	Enviroschools Wellington Region – Southern Wairarapa will be granted \$9,000. \$8,250 will be funded from the E, C & C Development budget and \$750 will be funded from the Waste Minimisation Levy.
23	Ian Cresswell	<b>Key Project - Martinborough Town Hall:</b> Requests that Council consider allocating a higher level of funding for earthquake strengthening to allow for inflation and unforeseen structural problems - \$2M is suggested.		No budgetary change to LTP.  Strengthening work would not commence on the Hall until the refurbishment plans had been agreed by the community and Council and the money required for refurbishments was in place or financial commitments were in place.  Investigate the use of a project manager to act as a liaison between community groups and council officers to facilitate development of an agreed refurbishment plan and achieve the initial milestones of the Town Hall upgrade project plan. The project manager will be funded up to \$5,000 by drawing on the strengthening funds.
24	Task Holdings Ltd	<b>Part 5 – Funding and Financing Policies:</b> Proposes a review of the current targeted rate policy for the sewage disposal rate for serviced connections. In particular, properties with multiple toilet pans are paying charges which are unrelated to actual use of waste water services (more detail in submission of what is proposed)		No budgetary change to LTP. <i>COUNCIL RESOLVED (DC2012/83)</i> that the targeted rating policies for the disposal of sewage be reviewed with changes ready to be adopted in the 13/14 Annual Plan (Cr Stevens/Cr Gray).
25	Wairarapa Workforce Development Trust – Lyn Patterson	<b>Part 3 – E, C &amp; C Development:</b> Requests a contribution from Council of \$7,500 in order to continue to work with businesses across the Wairarapa region. No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	LTP CHANGE	LTP DECISION
26	Richmond Funeral Home Ltd	<b>Part 7 – Fees and Charges (Cemetery):</b> Recommends the new family interment registration fee not be adopted or a strict set of rules are placed around it (see submission for more detail).		No budgetary change to LTP.  The family interment registration fee is to remain in the fees schedule however council officers are to develop a standard and be fully involved with the occurrence.  The offer of Richmond Funeral Home for advice and to be kept appraised with cemetery development is gratefully accepted.
26	Richmond Funeral Home Ltd	<b>Part 7 – Fees and Charges (Cemetery):</b> Extra Depth Fee – This is charged by cemeteries, but most graves in the Martinborough and Greytown cemeteries would meet the extra depth requirement as the norm. It should be noted that this option is not available in the Featherston Cemetery. The increase from \$0 to \$255 is questioned.	Some change to LTP.	No budgetary change to LTP.  Council officers to amend the fee schedule to show that extra depth is not available in Featherston.
26	Richmond Funeral Home Ltd	<b>Part 7 – Fees and Charges (Out of District):</b> Feels the non resident fee of \$777 and the Saturday fee is double dipping, believes the physical costs would be the same and would only occur a couple of times a year.		No budgetary change to LTP.  Council officers will ensure the new services contractor has provisions for out of hours burial and provide these at cost. Fee schedule will be amended so out of district burials are charged fairly.
26	Richmond Funeral Home Ltd	<b>Part 7 – Fees and Charges (Burial on Public Holidays or Sundays):</b> Wants to know if there are exceptions to the no burials policy on these days.	Some change to LTP.	No budgetary change to LTP.  Council officers will ensure the new services contractor has provisions for out of hours burial and provide these at cost. Fee schedule to be amended accordingly.
26	Richmond Funeral Home Ltd	<b>Part 7 – Fees and Charges (RSA):</b> Requests clarification that the interment fees for RSA members are Burial \$665 and Ashes \$204.	Some change to LTP.	No budgetary change to LTP.  Council officers to clarify the wording for RSA fees to clearly show that the appropriate interment fee is charged.
27	Pukaha Mount Bruce	<b>Regional Amenities Fund:</b> Supports the Fund.	Some change to LTP.	Noted.  A decision on whether Council agrees to participate in the Regional Amenities Fund will be made on 27 June 2012.

2012/2022 Draft Long Term Plan Submissions Summary

No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	LTP CHANGE	LTP DECISION
28	Leanne Bramley	<b>Part 3 – Resource Management:</b> Supports the review of the Coastal Reserves Management Plan.		Noted.
28	Leanne Bramley	<b>Rural Reserves:</b> Requests that a toilet be placed at the North Tora Reserve where camping is allowed. If funds are a problem suggests reusing the toilet removed from Sandy Bay.		No budgetary change to LTP.  Council officers will address these issues in the review of the Coastal Reserves Management Plan which is scheduled to be completed by the end of 2012.
28	Leanne Bramley	<b>Rural Reserves:</b> Requests that the sand dunes in the North Tora Reserve are fenced off immediately to stop the erosion and trampling from animals as they are the only natural buffer for tsunamis.		As above.
28	Leanne Bramley	<b>Rural Reserves:</b> Requests that the ground at the southern end boat launch is cleaned up and suggests a coastal care group be setup and is able to advocate and work on this group.		As above.
29	Jill Thomas	<b>Part 3 – Water Supply/Sewer:</b> Rates higher in all towns than Martinborough Town Hall		No budgetary change to LTP.  Water and sewer rates are the same across the district.
29	Jill Thomas	<b>Rates:</b> Notes that rates for water and sewerage schemes are higher in Featherston and Greytown than Martinborough		No budgetary change to LTP. Water and sewer rates are the same across the district.
29	Jill Thomas	<b>Rates:</b> Does not support the proposed rates increases over the next 10 years.		No budgetary change to LTP.
29	Jill Thomas	<b>Other Projects:</b> Requests that the Greytown Toilet replacement and the Greytown Park upgrade have a higher priority than proposed.		No budgetary change to LTP.  The toilet upgrade projects must be staged so there is no huge rates increase in any one year. No changes to the projects as proposed in the LTP.  Upgrading of the toilet facilities at Greytown Campground is to form part of the campground development plan of future works. Some works will be undertaken in this year's program utilising the remaining budget.

No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	LTP CHANGE	LTP DECISION
29	Jill Thomas	<b>Regional Amenities Fund:</b> Does not support the Fund.		Noted. A decision on whether Council agrees to participate in the Regional Amenities Fund will be made on 27 June 2012.
29	Jill Thomas	<b>Future Local Government:</b> Supports a Wairarapa unitary authority and asks that this is progressed.		No budgetary change to LTP.  Council will be working to progress the best option for the Wairarapa as proposed by Morrison Lowe. Currently a unitary authority is one of two options identified. The public will have a chance to have their say on the options once further financial and other implications of amalgamation have been further studied.
29	Jill Thomas	<b>Part 3 – Amenities (Farley's Oak Tree):</b> Requests that this tree is felled rather than risk further demise and use the timber for something more useful than firewood.		No budgetary change to LTP.  The tree is a notable tree in the District Plan, and Council must be satisfied that all methods for saving the tree have failed. Council officers are to contact the independent arborist who provided the tree diagnosis in 2010 to give an updated appraisal.
29	Jill Thomas	<b>Part 3 – Solid Waste Management:</b> Requests permission to take leaves that fall on her property from the large Oak Tree on West Street to the transfer station at no charge.		No budgetary change to LTP.  The request is granted and council officers are to advise Jill Thomas.
29	Jill Thomas	<b>Alternative Funding:</b> Proposes a lump sum local government investment scheme which provides a discount on rates to the investor and uses the principal to pay rates into the future. This would make capital available to Council at no interest		No budgetary change to LTP.  While the suggestion may be workable, it would be relatively time consuming to administer, and there would likely be legal hurdles to get around. Council officers to investigate and advise Jill Thomas.

30	Mike Beckett	<b>Part 3 – Amenities:</b> Proposes that the swimming pool fees are abolished. Notes that an investigation into the result of Carterton Council pool's two seasons of free entry to see if this had made a significant difference in the number of young people using the facility was to be undertaken at the end of the 11/12 season.		No budgetary change to LTP.  Pool revenue for the LTP is forecast to be \$24,000. The maintenance and upgrade requirements required for the three swimming pools equates to nearly \$800,000 (as per the recently commissioned Thompsons Fibreglassing quote), the entry fee can't be waived. Council officers are to commission an independent report to review and prioritise the repairs/upgrades.
30	Mike Beckett	<b>Part 3 – Amenities:</b> States that the Featherston Library is small with less available books than Greytown or Martinborough. Proposes some diplomatic negotiation with occupants of the former Court House with the outcome that the children's section of the library is moved to an alternative location.	Itemise in LTP?	No budgetary change to LTP.  A library study has been budgeted for within the LTP in order to look at what we are currently doing and what we should be doing on a district wide basis.
31	Richard Clark	<b>Part 3 – Land Transport:</b> Requests that the rules and regulations that govern mobility challenged people are reviewed and notes that footpaths need to be suitable for powerchairs/wheelchairs.		No budgetary change to LTP.  It is Council policy that when new footpaths are laid they are suitable for mobility scooters and have suitable crossings. If footpaths require maintenance then they are maintained against this policy. The policy is not applied to footpaths that don't need upgrading due to budgetary constraints.
32	Greytown Community Sport & Leisure Society	<b>Part 3 – Amenities:</b> Requests that a maintenance plan for routine tasks in Soldiers Memorial Park be developed. Requests that the new amenities maintenance contract to be let in 12/13 is written after consultation with the groups using these amenities.		No budgetary change to LTP.  Regular maintenance and routine tasks will be addressed in the new services contract to be negotiated in 2012. Officers will consult with the Society once the contract has been agreed.

50	Greytown Swimming Club	<b>Part 3 – Amenities:</b> Notes that the Greytown Pool water temperature is a major problem. Supports Council's plans to investigate issues raised in Thompsons Fibreglassing report and notes that some but not enough expenditure is allocated in the Draft LTP to cover these issues. Requests to work with Council to find a cost effective solution to the problems at Greytown Pool.		<p>No budgetary change to LTP.</p> <p>The maintenance and upgrade requirements required for the three swimming pools equates to nearly \$800,000 (as per the Thompsons Fibreglassing quote). Council officers are to commission an independent report to review and prioritise the repairs/upgrades.</p> <p>Officers are to initiate work with other Councils to develop an overall Wairarapa plan for sports and recreation which rationalises all sporting and recreational provisions and assets in the community in the work programme for 14/15 year.</p> <p>An asset management plan is to be developed in 12/13 for buildings including pools.</p>
50	Greytown Swimming Club	<b>Part 3 – Amenities:</b> Recommends that Council prepare a long term plan for the provision of aquatic facilities in the South Wairarapa, which looks at all available options.		As above.
51	George Kirk	<b>Part 3 – Land Transport:</b> Requests that a feasibility study on the formation of a footpath on Oxford St between Regent St and the Martinborough Estate is undertaken. If the footpath is not deemed feasible, request Oxford St is widened.		<p>No budgetary change to LTP.</p> <p>Council acknowledges that this work needs to be done and will consider what improvements can be done in 14/15 year. At the current time this work can't be prioritised over other works.</p> <p>Review submissions and ensure that all comments relating to footpaths and the same roads are given the bigger picture, the same message, and that things must be scheduled over time in personalised letters.</p>
52	Alex Wall	<b>Rates:</b> Requests that Council operate within existing budgets and if money is not available then projects shouldn't be undertaken, or prioritised, in order to have no zero rate increase. Requests that internal budgets are trimmed. Requests that different building options for the proposed Martinborough toilet rebuild are investigated to save costs.		<p>No budgetary change to LTP.</p> <p>Council officers are to address this in the outcomes letter.</p>

54	Kahungunu Ki Wairarapa – Ra Smith	<b>Part 3 – E, C &amp; C Development:</b> Requests that the SW is promoted/recognised via recognising archeological, historical and wahi tapu sites as well as promotion of Wairarapa Moana.		<p>No budgetary change to LTP.</p> <p>Council supports Maori initiatives such as these, council officers will work with Kahungunu on next steps.</p>

No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	LTP CHANGE	LTP DECISION
54	Kahungunu Ki Wairarapa – Ra Smith	<b>Working with Maori:</b> Requests a working party is setup to work through the issues as identified (pg 10).		No budgetary change to LTP.  Council seeks clarification on the makeup of the suggested working party and stated a preference for using the MSC in this role as it is Council's recognised advisory group. The MSC have a wide mandate (and could be widened if needed) and where specific issues require addressing external people can be invited to the meeting.
54	Kahungunu Ki Wairarapa – Ra Smith	<b>Part 3 – Resource Management:</b> Requests an investigation into how the 300 significant Maori sites identified by Haami Te Whaiti might be transferred to SWDC through shape files.		No budgetary change to LTP.  This is supported and encouraged by Council, and council officers will work with iwi to have the information transferred.
54	Kahungunu Ki Wairarapa – Ra Smith	<b>Part 3 – Resource Management:</b> Requests a commitment to better information about the archeological, historical and wahi tapu sites		No budgetary change to LTP.
54	Kahungunu Ki Wairarapa – Ra Smith	<b>Part 3 – Resource Management:</b> Requests a commitment to a staged process of having more significant sites included in the District Plan.		No budgetary change to LTP.  Council officers will work through identifying sites for inclusion in the District Plan with Kahungunu once the information has been transferred to Council.
54	Kahungunu Ki Wairarapa – Ra Smith	<b>Working with Maori:</b> Requests a system of collecting appropriate stories.		No budgetary change to LTP.
54	Kahungunu Ki Wairarapa – Ra Smith	<b>Working with Maori:</b> Requests a partnership in sharing appropriate archeological, historical and wahi tapu information for heritage trails (proposes Kupe heritage trail, and a Maori settlement trail)		No budgetary change to LTP. Itemised in the LTP.	NZ International Arts Festival is to be granted \$3,250 for the 12/13 year.
56	NZ International Arts Festival	<b>Regional Amenities Fund:</b> Supports the Fund.		Noted.  A decision on whether Council agrees to participate in the Regional Amenities Fund will be made on 27 June 2012.
57	Regional Public Health	<b>Part 7 - Fees and Charges:</b> Recommends that changes to levels of services, fees or charges are examined for their potential impacts on vulnerable populations such as children and young people, Maori and Pacific, and people on low incomes.		Noted.
57	Regional Public Health	<b>General:</b> Recommends that alcohol and tobacco issues are clearly addressed within Council Long Term Plans, as part of delivering improvements to quality of life by developing a local alcohol policy.		Council will be able to make changes to local policies once the National legislation changes in these areas have been confirmed later in the year.
57	Regional Public Health	<b>General:</b> Recommends that children's rights and wellbeing are placed at the centre of decision making.		Noted.
57	Regional Public Health	<b>General:</b> Recommends that Council lead efforts to integrate local, central government and community activity		Noted.
57	Regional Public Health	<b>General:</b> Recommends that social infrastructure investment is targeted to communities with the greatest social and economic needs.		Noted.
57	Regional Public Health	<b>Community Outcomes:</b> Recommends Council encourage smokefree vehicles for children and expand smokefree spaces in South Wairarapa to all recreational zones.		Noted.

No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	LTP CHANGE	LTP DECISION
57	Regional Public Health	<b>Community Outcomes:</b> Recommends Council erect smokefree signage and commit to maintenance of these signs.		No budgetary change to LTP.  Councillors agreed that when the existing signs are due for renewal or if places covered by the current policy are without signs as suggested by Regional Public Health can be looked into with a goal of having consistent signs across the district.
57	Regional Public Health	<b>Key Project – Water Supply:</b> Supports the proposed water infrastructure developments. Recommends Council considers greater reference to the complimentary measures of water conservation and efficiency in addition to water meters.		No budgetary change to LTP.  Basic usage statistics over three years need to be available to support any decision/requirement for water tanks. The summer of 12/13 will complete three years of summer statistics.
57	Regional Public Health	<b>Part 3 – Public Protection:</b> Recommends Council investigates passing a by-law to restrict the number of tobacco outlets in low deprivation areas and in close proximity to schools.		Noted.
57	Regional Public Health	<b>Part 3 – Water Supply:</b> Recommends Council explores the feasibility of fluoridating the South Wairarapa community water supplies.		No budgetary change to LTP, noted this was not a high priority within the current budget.  Council officers are to investigate technical requirements, required infrastructure and costs for water fluoridation. Public consultation would need to be undertaken before any decision was made.
58	Fonterra	<b>Key Project – Waste Water:</b> Provided the wastewater standards satisfy the full Fonterra policy, Fonterra welcomes the introduction of an irrigation system and wet-weather storage which might benefit irrigated land.		Noted.
58	Fonterra	<b>Key Project – Waste Water:</b> Requests that consideration is given to Fonterra's policy which is applied to suppliers regarding human effluent waste water. "Only wastewater that meets the Californian Std Title 22 is to be used on pasture or feed that is fed to lactating animals supplying Fonterra; No sewage sludge derived from the treatment of human waste may be used to grow pasture or feed that is fed to lactating animals"		Noted.  A recent Plan change has been approved for the treatment of disposal of effluent that is consistent with standard.

No.	NAME OF SUBMITTER	SUMMARY OF SUBMISSION	LTP CHANGE	LTP DECISION
58	Fonterra	<b>Key Project – Waste Water:</b> Requests to help inform the strategy and work as it progresses, particularly around the investigation of potential sites for irrigation.		Noted.
58	Fonterra	<b>Part 3 – Land Transport:</b> Acknowledge the decision to halt new sealing of roads but note the benefits of seal extension programmes to the rural communities and associated vehicle movements for safe and serviceable access.		No budgetary change to LTP.  The cost of new seal, especially now the NZTA subsidy has been removed, now outweighs the benefits when compared to loose metal roads.
58	Fonterra	<b>District Plan:</b> States an interest in proposed LTP projects and requests early consultation to help inform these reviews, particularly the process already underway to change parts of the District Plan.		Noted.
59	Doug Harris/Sara Murphy	<b>Key Projects:</b> Supports all key projects and the proposed rating system for them.		Noted.
59	Doug Harris/Sara Murphy	<b>Other Projects:</b> Requests that rates are reworked so that these projects are funded by urban ratepayers. The exception is the Local Authority software suite which should be funded via a general rate.		No budgetary change to LTP.  Funding policies already consider the urban/rural split.
60	Aratoi	<b>Part 3 – E, C &amp; C Development:</b> Recognising the important ongoing relationship between Aratoi Regional Trust, the SWDC and the community Aratoi requests an additional \$3,000 to existing funding and a CPI adjustment for the 2012-2022 period.		<i>COUNCIL RESOLVED (DC2012/84)</i> Aratoi Regional Trust is to be granted \$25,000 in the 12/13 year, however funding is to be held until the issues with the Board are resolved and Council have been told of this in person by the Chairperson or the Commission (Mayor Staples/Cr Gray).

77	Alex Webster	<b>Key Project - Martinborough Town Hall:</b> Requests that occupancy figures for the last 5-10 years are broken down to see if events could be held in other SWDC facilities.		No budgetary change to LTP.  Strengthening work would not commence on the Hall until the refurbishment plans had been agreed by the community and Council and the money required for refurbishments was in place or financial commitments were in place.  Investigate the use of a project manager to act as a liaison between community groups and council officers to facilitate development of an agreed refurbishment plan and achieve the initial milestones of the Town Hall upgrade project plan. The project manager will be funded up to \$5,000 by drawing on the strengthening funds.  Evidence from the Greytown Town Hall suggests that once the Martinborough Town Hall is refurbished usage will rise.
77	Alex Webster	<b>Key Project - Martinborough Town Hall:</b> Queries what is to happen to other Council administered facilities such as Kaiwairai which is falling into disrepair.		No budgetary change to LTP.  Kaiwairai Hall is not Council owned.
78	Claire Bleakley	<b>Community Outcomes:</b> Supports the community outcomes.		Noted.
78	Claire Bleakley	<b>Part 3 – Resource Management:</b> Recommends that all new homes are required to have a solar panel for hot water heating and a wetback if the house has an internal box fire.		No budgetary change to LTP.  Wetbacks are permitted so long as they comply with the National Environmental Standard for Air Quality. In addition SWDC supports energy efficiency, but does not support prescribing how people do this.
78	Claire Bleakley	<b>Part 3 – Resource Management/District Plan/General:</b> Recommends the LTP includes details on how to participate in the debate around genetic modification/ engineering in the open environment. Wairarapa people want the Regional Policy Statement to preserve south Wairarapa status as a GM-Free food producer. Options on how to do this are included in the submission.		No budgetary change to LTP.  SWDC has aligned its thinking with Central Government to proceed with caution but look at all options. The use of GMO's will be assessed on a case by case basis.

79	Jayne Routhan	<b>Part 3 – Amenities:</b> Does not support a new library management system and requests that extravagant library programs are cut.		A new WLS system has been deferred for 12 months as Masterton District Council uses a different software system and so does the Hutt Valley. The WLS will be asked to investigate a way of sharing services which does not involve a new software system.
79	Jayne Routhan	<b>Part 3 – Amenities:</b> Requests that options for heating pools follow sustainability objectives.		The maintenance and upgrade requirements required for the three swimming pools equates to nearly \$800,000 (as per the Thompsons Fibreglassing quote). Council officers are to commission an independent report to review and prioritise the repairs/upgrades.  Officers are to initiate work with other Councils to develop an overall Wairarapa plan for sports and recreation which rationalises all sporting and recreational provisions and assets in the community in the work programme for 14/15 year.

86	Officers Submission – Group Manager Planning & Environment  Waste Water, Water Races and Water Supply Focus Group (Late)	The Building Department are requesting \$135,000 in the next year for the document scanning project. This will see all of our building files and records being available for viewing and use electronically in office, or remotely in the field through the GIS platform. It is inevitable that this work be undertaken. Online consenting is already being used by other TA's and indications are it will become the industry standard. Other uses are in Emergency response capabilities, the ability to view building plans in the field onsite will be key to efficient responses. It will also enable efficiencies throughout the Councils functions by being able to access property records at the touch of a button. MDC and CDC are both well underway with this work.  Moroa water race upgrade.	Some change to LTP.  Some change to LTP.	Council agreed that a staged approach to achieving consenting online could be undertaken with the critical and high risk buildings being made electronic in the first instance. \$10,000 is to be granted for the document scanning project in 12/13, \$15,000 for 13/14 and \$15,000 for 14/15.
