

South Wairarapa District Council Featherston Community Board Electing 4 Board Members

Lee CARTER

My principal place of residence is in the Featherston Community Board area.

In my first term on the Featherston Community Board, I've learned that Featherston has real community spirit with people and families who really care about their town. We are a diverse, passionate community with strong opinions, and a town of many hidden treasures. We also have people calling for change, action, and growth.

I'm asking for your vote to allow me the opportunity to continue to support the people of Featherston in undertaking positive change, and promoting Featherston's development economically, culturally and socially.

If re-elected, my focus will be on safer communities, graffiti and crime prevention. My strengths are listening to the community and their needs. I want to involve everyone, especially our young people, so we can keep it real. My vision for Featherston is to be a thriving, striving, happy and safe town.

You can make a difference by giving me your vote. Thank you.
