Members Report

Member Name	Angela Brown
Committee/Working Group/Appointment Name	Community Emergency Hub Open Day and Practice Event.
Meeting Date	Saturday 30 September 2023
Key issues from meeting	We held a very successful Martinborough Community Emergency Hub Open Day and Practice Event on Saturday 30 th September – I would like to thank Mel Maynard, Councillor McAuley, Warren Maxwell and Storm Robertson for coming along and taking part in this event. Over 70 people attended, we had representatives from various community groups – including the foodbank, Mens Shed, Lions, Toy Library, Community Markets, business association. We had a volunteer face painter and a community tearoom, sausages where cooked by members of the Bowls Club – Neighbourhood Support, came along to assist. A great community effort. We had a delegation of Emergency support people from Hawkes Bay who are looking at adopting the WREMO Emergency Hub model into their own communities, we have had offers for them to come and talk to our community about what happened during their real emergency response earlier this year. We hope to get them back next year to share their experiences. Big Thank you also to Vivienne from WREMO for facilitating this and the previous two events we have hosted over the last few months, and Nigel from SWDC has been really on board ensuring the success of this Resilience Series.

Specific item(s) for consideration	Moving forward we have a strong number of very engaged members of our community who want to continue to engage and work collaboratively with the Community Board on a Martinborough Resilience Project.
General	The defibrillator should have now been installed outside of the ambulance station and I am working with Wellington Free Ambulance to offer Heartbeat workshop for the community – incorporating CPR and Defibrillator Training. I feel this has been a strong and successful start to one of the objectives we set as part of our Community Board Plan
