

South Wairarapa District Council

Greytown Ward

Electing 3 Councillors

Margaret CRAIG

My principal place of residence is in the Greytown Ward area.

Memberships during previous terms include: Council, Policy and Finance Committee, Greytown Community Board, Awards Refurbishment and Gifts Working Party, Waste Management (Chair), Reserves & Amenities, and Emergency Services Focus Groups, Wairarapa Healthy Homes, Wairarapa Road Safety Council, Cobblestones Museum Trust, Wellington Region Waste Forum.

Possible changes to Wairarapa Local Government indicate the need for continuity of elected councillors during the 2013-16 term, committed to sound policy and infrastructure, and advocating continuing economic growth and environmental, social and cultural sustainability for Southern Wairarapa.

Projected Council activities include significant infrastructure upgrades to sewerage and water. As your Councillor I will advocate to ensure the affordability of these for ratepayers.

With proven experience in governance, and work with community organisations I have the enthusiasm, energy and commitment to continue to serve you well again, as your elected member of the SWDC.
