

# South Wairarapa District Council

## Martinborough Ward

### Electing 3 Councillors

---

## Max STEVENS

*My principal place of residence is in the Martinborough Ward area.*

I am Martinborough born and have spent most of my life here. I have a great affinity for the town and district. I also have local government experience and am aware how complex and demanding it is.

I am seeking re-election having served as one of your Councillors during the last triennium. The SWDC continues to improve its financial position and customer service, the management and staff work hard to provide services to our community. Waste water treatment and amalgamation are the main challenges that will face the SWDC in the next few years that will require experience and strong governance.

If re-elected I will continue to be committed to fair, progressive and affordable governance, work to maintain and improve infrastructure, support economic and community initiatives. I will do my best to ensure transparency, openness and will listen to your concerns.
