

Properties with more than one of the codes marked with an asterisk\* would have more than one Separately Used or Inhabitable Part (SUIP) for rating purposes.

For example, a property with DWG SHP FG would have 2 SUIPs, one for the dwelling and one for the shop. A property with 3 DWGS would have 3 SUIPs, one for each of the dwellings.

Code	Description
ACCOM *	ACCOMMODATION
APTMNT *	APARTMENT
