AND

IN THE MATTER of an application by **Chapelli`s Eatery & Wine Bar Limited** for an on-licence pursuant to s.99 of the Act in respect of premises situated at **57 Fox Street, Featherston** known as **"The Last Post Restaurant & Bar"**

BEFORE THE South Wairarapa District Licensing Committee

DECISION

This is an application by **Chapelli`s Eatery & Wine Bar Limited** for an on-licence in respect of premises situated at **57 Fox Street, Featherston**, known as **"The Last Post Restaurant & Bar"**

The general nature of the business to be undertaken is that of a **Class 2 restaurant.**

The application was duly advertised and one objection has been received. There was no objections from either the Police, Ministry of Health or the Inspector.

Section 102(3) states that *No objection may be made in relation to a matter other than specified in s105.* Whilst I acknowledge the objector's right to lodge an objection in writing and within the prescribed timeframe, which they have done, the objection itself does not provide sufficient substantive evidence in relation to the criteria set out in s105 to warrant the matter going to a hearing. The objection without evidence is simply heresay.

I am satisfied with the Inspector's comment at paragraph 12:19 of their report, where they state: "*Should the Committee decide to grant the licence, the inspectorate will ensure that the premises is monitored through routine compliance and any matters are appropriately addressed, investigated and reported on.*"

This provides a degree of assurance, particularly given that the licence is being issued for a period of one year. This provides an opportunity for the applicant's compliance to be monitored during this period and effectively serves as a 'probationary period', during which any matters of concern can be identified, addressed and appropriately reported.

Accordingly, we deal with the matter on the papers.

We are satisfied as to the matters to which we must have regard as set out in s.105 of the Act and we grant the applicant an on-licence authorising the sale and supply ofalcohol for consumption on the premises, to any person who is present on the premises, subject to the following conditions:

(a) Alcohol may only be available for sale, supply or consumption on the following days and during the following hours:
Monday to Sunday between 12:00pm to 1:00am the following day
(b) Drinking water is to be provided to patrons free of charge from a water supply prominently situated on the premises at all times that alcohol is available for sale, supply and consumption.

(d) The following steps must be taken to promote the responsible consumption of alcohol:
- Implement and maintain the Host Responsibility Policy submitted with the application for the licence.

- At all times when the premises are open for the sale, supply or consumption of alcohol, a reasonable range of non-alcoholic refreshments and low-alcohol options are available.
- The Licensee must ensure that signs are prominently displayed within the licensed premises detailing the availability of assistance and information regarding alternative forms of transport from the premises.
- The licensee must implement and maintain steps proposed in the application for the licence aimed at promoting the responsible consumption of alcohol.

(e) the following steps must be taken to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:
- A restriction of sale or supply of alcohol to persons under the age of 18 years of age.
- Display of appropriate signs adjacent to every point of sale detailing the statutory restrictions on the supply of alcohol to minors and the complete prohibition on sales to intoxicated persons.
