

South Wairarapa District Council Martinborough Community Board Electing 4 Board Members

Pam COLENZO

My principal place of residence is in the Martinborough Community Board area.

Having lived in Martinborough for over 30 years, I have seen a number changes within the town and the surrounding area. I have enjoyed being part of these changes during the time I have served on the

Martinborough Community Board.

We have seen a number of improvements to services and amenities in the Martinborough Ward and I am keen to continue this association and see some of the projects started this triennium through to completion, particularly Considine and Centennial Parks and the refurbishment/upgrade of the Town Hall and surrounding area.

I believe there is an exciting future for Martinborough. It is vital to ensure that the growth is managed in a sustainable, planned manner, whilst maintaining our village atmosphere.

I offer Martinborough community my experience and a continuity of representation. I will continue to serve enthusiastically and constructively as a team member of the Community Board.
