My principal place of residence is in the Featherston Community Board area.

I have enjoyed extensive public & private sector careers, including: terms on Wairarapa DHB; Treasury, Cabinet Office, & Inland Revenue; Mobil Exploration, NZ Forestry Corporation. Currently, I contribute as:

-Caretaker, St Teresa's School. Member of Featherston ANZAC Club; Featherston Trails & Walkways Trust; South Wairarapa Biodiversity Group; Rotary South Wairarapa.

-Adviser to Whaiora Whanui Trust - Maori health service provider.

Past NFP roles included: Youth Mentor for Family Works; Executive Councils - Universities Sport, Marathon Swimming, Surf Lifesaving; Directing/acting in theatre productions.

I understand local government's purpose, based on a five-year term as Secretary for Local Government, & Civil Defence. I recently contributed to the Palmer Panel's governance review, and the Wellington Emergency Management Response Group.

A team player, I lead when leadership is required: to help improve local conditions to restore Featherston's business capability, and its wellbeing. I offer residents of Featherston my services for two terms.
