Official information Request: Rating RID data

I am writing to you in response to your request received 8 October 2024 for the following information.

I am looking for Rating RID Data for each property within the South Wairarapa District. I understand I can search for this data on a one by one basis on your website, but was hoping to get bulk data, ideally at least annually. Can you please advise if this dataset is available, and if there are any costs involved in getting access on an annual basis.

We have been successful in receiving the above data from Christchurch City Council via the OIR process. The data they supplied, which is perfect for us contained the following data elements

*Rate Account
Valuation Number
Street Address
Legal Description
Capital Value
Improvements Value
Land Value
Total Rates for 2025 Year
CCC portion of rates
Regional Council portion of rates (If applicable)
Land Area*

We have assessed your request under the Local Government Official Information and Meetings Act 1987 (LGOIMA). I have received information which is attached to this letter. There are no costs for the information. Any future requests can be made through the LGOIMA email inbox:

lgoima@swdc.govt.nz

Please note that it is our policy to proactively release our responses to official information requests where possible. If this request is selected it will be published at <https://swdc.govt.nz/lgoima-proactive-release/>, with your personal information removed.

You have a right to request a review by the Ombudsman on this response. Further information about this process can be found on <https://www.ombudsman.parliament.nz/what-ombudsman-can->
