

We're wheeeelie excited! Colouring-in Competition

To celebrate our new recycling service starting the week of 9 September, we're running a colouring-in competition closing Friday 27 September. Please return your competition entry to comms@swdc.govt.nz, your local South Wairarapa library or Council offices in Martinborough.

Name.....Age.....Email/phone.....Town.....

Entries may be shared on Facebook and the winner will receive a re-usable lunch box and drink bottle.

A reminder to households on how to use the new recycling service...

- Crates for glass and wheelie bins for other mixed recyclables are collected on alternate weeks
- When the new service starts week of 9 September, all South Wairarapa residents need to put out crates with glass only (Week 2 in the calendar) and their wheelie bin the next week
- Any questions? It's all in the handbook that was delivered with your wheelie bin or at www.wairecycle.nz

Reduce – Re-use – Recycle
