

South Wairarapa District Council  
Featherston Community Board  
Electing 4 Board Members

---

**Jayson TAHINURUA**

My principal place of residence is in the Featherston Community Board area.

Kia Ora, Kia Orana and a Warm Pacific Greetings. My name is Tohoa Tahinurua, commonly known as Jayson and I am a Maori Cook Islander.

Every time I return home to Featherston I always feel at home and safe. I love living here in Featherston, small- and strong-minded community and love to share knowledge and moral support to family, community and society. I love working behind the scenes doing the work with like-minded people. I am retired so what a good way to make use of my free time is to give back to the people and the community that I call Featherston home.

Travel is one of my hobbies and I love spending time in Tonga, Fiji and Cook Islands. I would like to encourage young people in our town to stand up and represent our town, your opinion and voice will add value to your fellow community.
