Warren MAXWELL

My principal place of residence is in the Featherston Community Board area.

Nāu te rourou, nāku te rourou, ka ora ai tātou katoa -

With your food basket and my food basket, we all thrive.

I use the whakatauki above to underpin my 2022 candidacy for the Featherston Community Board. For me, this proverb provides a rich metaphor that exemplifies the tangible, interwoven community spirit of Featherston. We moved here in 2006 and immediately fell in love with the place and the people. I'm an Associate Professor at Massey University, Board Member of Featherston's Own Charitable Trust and Fab Feathy Steering group member. More recently, my thoughts and concerns have gravitated towards our town infrastructure, environment, social inequities and community aspirations. Featherston is an amazing town and I look to serve my community by listening, comprehending and doing. I believe public representatives should be accountable, be respectful and work together, so that our Featherston community will thrive.
