**Annelise SCHROEDER**

My principal place of residence is in the Featherston Community Board area.

Kia ora koutou. Ko Annelise Schroeder ahau.

Quite simply, I love Featherston. I believe that is the main qualification required to be a great Community Board member. I am a self-employed

transcriber, postgraduate student and local volunteer. I am conscientious and well organised, committed and loyal, and I would consider it a privilege to work hard for this community. I welcome our town's diversity and efforts at inclusion. I strongly believe that everyone deserves the chance to contribute when they are able and to be supported when they need it. If elected, I promise to stand up for the community of Featherston and its people, facilities and environment. Ngā mihi maioha.
