

South Wairarapa District Council
Featherston Community Board
Electing 4 Board Members

Roger BRADSHAW

Independent

My principal place of residence is not in the Featherston Community Board area.

I'm submitting my nomination for election to the Featherston Community Board to reform a link to the community where my father was once based and contribute to the wider community present.

I have previously been elected to a Wellington City Council Community Board for two terms.

Other Wellington regional work saw involvement in the Porirua Community Law Centre, youth work and a Ministerial appointment to a governance role at Whitireia Community Polytechnic.

I've experienced working in larger metropolitan councils across a number of Council core services and have also adjudicated on Resource Management Act hearings.

Local Government and ratepayers are facing several challenges at present and it's important strong and unified advocacy results in more equitable outcomes. Community boards have an important role to play to ensure communities are consulted and their views represented when it counts.

I look forward to serving Featherston.
