

South Wairarapa District Council
Greytown Community Board
Electing 4 Board Members

Jo WOODCOCK

My principal place of residence is in the Greytown Community Board area.

I was brought up in Greytown, left for my Tertiary education and returned to settle back home a teacher and to bring up my family.

My husband and I run an earthmoving business and I teach part-time.

As a mother of two teenage sons, I manage a junior and senior basketball team.

Throughout my adult life I have participated in community service. I volunteered for Learning Disability Association Wairarapa, managed a Gifted and Talented group, was secretary for playgroup, chaired the PTA and have had various roles in animal welfare.

I am candid and passionate, with a strength in listening and asking questions. My aim is to complete the community boards goals in beautifying projects such as the dog park and playground. I would like to be your voice to address local issues, continue our communities sense of pride and ownership to identify new projects.
