

South Wairarapa District Council
Martinborough Community Board
Electing 4 Board Members

Karen KROGH

My principal place of residence is in the Martinborough Community Board area.

I have lived in Martinborough for 8 years having moved here from Wellington where I worked and raised a family.

In 1983 I obtained my registration as an Architect, one of the first 50 women in New Zealand to do so. I continue to work in my Architectural Practice.

I have a record in business entrepreneurship, as a developer - Cubana, a 14 apartment and retail building at 158 Cuba St. Wellington, and as a restaurateur - Olive, 170 Cuba St.

I always take an interest in local community and politics and I have decided to try to apply my skills and energy in a positive way from the inside, having made some comments from the sidelines from time to time.

I like to think that my children might feel that I have tried to make a contribution to the future shape of this community.
