

South Wairarapa District Council  
Martinborough Community Board  
Electing 4 Board Members

---

**Storm ROBERTSON**

My principal place of residence is in the Martinborough Community Board area.

A current resident of Martinborough, having been so for the past three and half years, and made the decision to live here, with my wife, because we have for many years enjoyed the

benefits this township offers.

Recently retired, but still acting as a consultant, generally serving the global markets of Road Safety, Digital Services, Biometrics and Security, industries that I have spent the last 20 years operating in. During that time I have lived in Wellington, Auckland and Canberra, before moving to Martinborough to build a home. From Martinborough, and with the aid of modern technology, I was able to maintain my business relationships throughout the world.

What I want to do now is give back something to the community and assist with development and promotion of the area and all that it has to offer, and it has much to offer.
