

South Wairarapa District Council

Electing the Mayor

Brenda WEST

Independent - honesty integrity mana

My principal place of residence is in the South Wairarapa District Council area.

I am standing to re-establish connection with our district. Having previously served on the community board and as a standing councillor, I want to lead the district and work on ways to improve the community involvement with local government decisions. I believe the way forward is through teamwork and having a closer governance presence.

SWDC has a small rating base, so we need to look at smarter ways we use our rates. I want us to work on fixing the things that matter for our district. Infrastructure is a big issue and not easily resolved, but I will work tirelessly to get the best outcome.

There are many challenges ahead. It is important that our presence and voices be heard on local, regional and national platforms. I look forward to your vote and becoming your new mayor.

Ēhara tāku toa i te toa takitahi. Ēngari he toa takitini.
