

Greytown District Trust Lands Trust Electing 3 Trust Members

Andy HOLMES

Community first

My principal place of residence is not in the Greytown District Trust Lands Trust area.

Andy was born and bred in Greytown and as such has a long and passionate history with the Greytown community and is just as passionate about the well-being of its future. He has been a

long-term volunteer in the community and a successful businessman, running the 67-year-old family business, Holmes Construction Group in Greytown. Through this involvement he has a strong idea of the views of the community.

Andy proudly recognises the great foresight that was shown by the original settlers in establishing the GTLT in 1872 whose aim has always been basic, to promote education and public utilities within Greytown (BH Bull). Examples of current public utilities are Cobblestones Museum and sporting clubs.

If elected Andy believes he will be a great advocate for the Greytown community and will bring to the trust a strong sense of clear direction, shared purpose, accountability, and commitment.
