### **Derek WILLIAMS**

Community first

My principal place of residence is in the Greytown District Trust Lands Trust area.

Derek lives in Greytown.

He has held senior general management positions in both the Public and Private sectors.

On leaving the Public Sector Derek he became a partner with Ernst and Young. Later he joined Telecom Mobile and was responsible for a major transformation programme. He formed a management consulting company which performed a wide range of private sector strategy and performance improvement assignments.

He is currently working with several businesses in the Wairarapa in advisory roles.

If elected to the Greytown Lands Trust, he will work to ensure that GTLT land in recreational use is not privatised thereby giving a stable secure long-term future to Cobblestones and sporting clubs. He would bring his knowledge of the community gained over fifty years along with his extensive commercial experience and knowledge of local government to ensure that the returns from GTLT commercial assets are maximised for Greytown residents.
