

South Wairarapa District Council
Featherston Ward
Electing 3 Councillors

Garrick EMMS

My principal place of residence is in the Featherston Ward area.

I'm driven by concern for environment, the state of our waterways, and Three Waters mandate. As Deputy Mayor I have stood against the continued pollution of Lake Wairarapa, the contamination

of groundwater and the potential destruction of domestic bores. I'm frustrated with the failure to identify a consentable, affordable solution for Featherston Wastewater.

Careers in tertiary education, international tourism, marketing and publishing have proved useful at a community level as Chair of Pirinoa and St Teresa's School BOT, Chair of Tourism Wairarapa and community board member. I am proud to be President of Wairarapa Racing Club, Supreme Winner at Wairarapa Business Awards and a sponsor of Booktown. Personally I'm involved with family, grandchildren, the Featherston Gentlemen Singers and have an abiding interest in culture and heritage.

A staunch advocate of community consultation, transparency and an economic vision, your vote for me is a vote for experience.
