

South Wairarapa District Council
Featherston Ward
Electing 3 Councillors

Melissa SADLER-FUTTER

My principal place of residence is in the Featherston Ward area.

Accessible community representation is key to the future success of Featherston.

I am a community minded wife and mum of two with professional experience in community engagement, project planning, governance, and management. As a council candidate I bring a fresh perspective and vibrant energy to old issues.

Featherston is facing many challenges - the Featherston Master Plan, aging and neglected infrastructure and a growing population amongst many other issues. Featherston needs its council representation providing informed and courageous solution-based thinking. A council member willing to represent the views of our community, not their own agenda. To ensure changes are of benefit to those that reside here, not just for the sake of change.

We cannot escape the need for investment in Featherston, the challenge ahead is to achieve this investment in a creative, cost-effective way that does not financially cripple our ratepayers now or in the future.

Vote Melissa!
