

South Wairarapa District Council
Featherston Ward
Electing 3 Councillors

Phil BLACKWOOD

Where there's a Phil there's a way

My principal place of residence is in the Featherston Ward area.

Phil is passionate about South Wairarapa because he and his family live here. He believes not enough is being done to ensure that every dollar paid by ratepayers is used efficiently. To him, it seems the council is more interested in vanity projects than providing the fundamentals to the community and Phil would like to change that. Furthermore, Phil would like to see a more introspective policy framework where local dollars are spent with locals, rather than outsourcing contracts to out of town national level corporations without a vested interest in the community. Phil believes South Wairarapa is a great community that is capable of taking care of itself and should be enabled to do so.
