**Mike GRAY**

Democracy South Wairarapa

My principal place of residence is in the Greytown Ward area.

My name is Mike Gray and I am standing under the banner Democracy South Wairarapa.

Themes I am promoting are - better more effective governance; better relationships

between council and all district residents; communities, and community boards; better stewardship -services that are more responsive, effective and efficient, and represent value for rate-payers money; and demonstrated transparency and accountability.

My candidacy represents 20 years of experience as a councillor, and community board member, demonstrated competence, and the wisdom thus acquired.

The themes outlined seek to ensure that your representatives - the mayor, councillors, and community board members are seen to uphold the purpose of the local government act, and enable - democratic local decision making and action by, and on behalf of, communities and promote the social, economic, environmental and cultural wellbeing of communities, in the present and for the future.
