

South Wairarapa District Council
Martinborough Ward
Electing 3 Councillors

Aidan ELLIMS

My principal place of residence is in the Martinborough Ward area.

I am passionate about the future of South Wairarapa, being born in Greytown and living in Martinborough since 2001.

Since 2019, I have served as Deputy Chair of the Martinborough Community Board where we have listened to concerns of the community on a number of matters, debating them with the Council. I am a pro-active advocate for both rural and urban residents having championed a number of issues at Council and Committee meetings. I am approachable, but not afraid to speak up to ask the hard questions and look to solve local issues with local solutions.

In the next 3 years, there are significant issues that SWDC need to address; ie 3 Waters, the Rating and Representation reviews. I will provide a strong voice at the Council table for both rural and urban Martinborough residents/ratepayers for these upcoming matters and would welcome the opportunity to be your representative.
